REICH HAMMERED BY AMERICANS AND RAF

Heavy Assault On Berlin Followed By Daylight Raid

Eighth Major Operation of Month for Flying Fortresses and Liberators is Part of Furious Attacks on Nazi Centers

SPECIFIC TARGETS NOT NAMED IN COMMUNIQUE

By W. W. HERCHER
London, Dec. 30.—(P)—American Eighth Airforce heavy bombers, driving deep into Europe by daylight following the RAF's 2,240 U. S. assault on Berlin last night, hammered targets in southwest Germany today.

It was the eighth major operation of the month for the Flying Fortresses and Liberators and was a part of a furious, day-long assault against the Nazis' continental installations.

As usual, the American heavy bombers were escorted by a strong supporting force of American and RAF fighting planes. The brief official announcement did not name specific targets, but in the area designated lie such key German cities as Stuttgart, Mannheim, Frankfurt and Karlsruhe. Last night's heavy RAF assault may have finished off Berlin as the working capital of Germany.

The engines of the mighty RAF night armada that dealt the eighth heavy knock at the German capital since the campaign of destruction was begun were hardly cold before large formations of heavy daylight bombers, fighter-bombers and fighters streaked at high altitudes toward the continent in the direction of the bristling "rocket-coast" of France, last pounded by a 1,500-plane American fleet on Christmas eve.

The extraordinarily strong force of British Lancasters and Halifaxes went over desolated Berlin the early evening and through a heavy cover of clouds dumped one of the largest loads of explosives and fire bombs ever poured on one target in an attack in this war. In the raiding formations was the largest force of heavy bombers ever sent out by the Royal Canadian air force.

In announcing the operation the air ministry described the attack as "very heavy" and concentrated, and said that smoke spiraled upward to 16,000 feet from the large fires set by 2,000 long tons of high explosives and incendiaries.

Twenty bombers were lost in the raid, in Mosquito attacks on western and central Germany and northern France, and in mine-laying operations. Five of the heavy bombers lost were Canadian.

This was well below the average of 28 lost in the seven previous raids on Berlin. Berlin still was digging out from the wreckage of a 1,000-ton blow early in the morning of Dec. 24 when the fresh rain was soiled. "We now live in an immense ruin in which there is nothing more to be seen," a Swedish correspondent in Berlin reported. Stockholm last night after telephone service severed between 7:50 p. m. and 9:30 p. m.—was restored.

The knock-out campaign began Nov. 18 when the RAF hurled 2,500 long tons on Berlin and Ludwigshafen. The succeeding raids on Berlin were:

Nov. 22—1,000 bombers dropping 2,500 long tons.
Nov. 23—An estimated 1,400 tons.
Nov. 26—More than 1,000 tons.
Dec. 2—More than 1,500 tons.
Dec. 16—1,500 tons.
Dec. 24—1,000 tons.

JUDGE BOK DECIDED NOT TO BE CANDIDATE

Philadelphia, Dec. 30.—(P)—Judge Curtis Bok eliminated himself today as a possible candidate for the Democratic nomination for the United States senate.

"I just don't want it," the 46-year-old common pleas jurist told a reporter.

Bok, scion of the Philadelphia publishing family, had been mentioned as a possible nominee for the seat of Senator Joseph F. Gurney, of Pittsburgh, whose term is expiring.

That was the deliberative Republican interpretation of Mr. Roosevelt's news conference action Tuesday in fondly laying at rest the new deal for a win-the-war program, in warning against economic and military isolation after

gram of proposed postwar expansion in security, employment, recreation, education, health and housing. Some high ranking Democrats agreed privately with this view and Senator Hatch (D-NM) went so far as to reiterate publicly his prediction that if the war is still on, Mr. Roosevelt will be renominated and reelected. The Republicans greeted the president's abandonment of the new deal with scornful assertions that he was far behind the rest of the country, but the Democrats (Turn to Page Seven)

Capital Politics See Chief Executive Seeking 4th Term

By JACK BELL
Washington, Dec. 30.—(P)—The consensus of political Washington today appeared to be that President Roosevelt is a candidate for a fourth term on a platform promising to win the war and then to link America's economic and military future with that of other nations. That was the deliberative Republican interpretation of Mr. Roosevelt's news conference action Tuesday in fondly laying at rest the new deal for a win-the-war program, in warning against economic and military isolation after

RAIL DISPUTE PROVOKED BY SALARY ISSUE

Nation's Transportation System Rid of Strike Threat But Not of Wage Controversy

CONTRACTS UNSIGNED

By JOSEPH A. LOFTUS
Washington, Dec. 30.—(P)—With the army at the throttle, the nation's railroad system was rid of a strike threat today but not of the wage controversy that provoked it.

The brotherhoods, the Trainmen and the Engineers, executed agreements with the carriers, but the demands of the 18 other organizations remain unsettled. The case of the 15 nonoperating unions, in fact, seemed more tightly knotted than ever.

Chiefs of three operating unions—Conductors, Firemen and Switchmen—told Lieut. Gen. Brechen B. Somervell early yesterday they would not challenge the government, but they delayed sending strike cancellation orders to their chairmen in the field until 9 p. m., to include in the message some information of the wage settlement. The order finally was sent without such information because, the union chiefs said, government spokesmen avoided a commitment.

The contracts signed by the Trainmen and the Engineers provided for an increase of 9 cents an hour and a week's vacation. Five cents that amount was agreed by President Roosevelt, acting as arbitrator, as compensation for overtime and away-from-home expenses. Similar terms were reported available to the Firemen, Conductors, and Switchmen, but the chiefs of these unions feared acceptance would mean a wage freeze for the duration of the war. Alvan Johnston, chief of the Engineers, expressed the opinion, however, that the agreement he executed may be opened on 30 days' notice except with respect to the overtime, expenses and vacation provisions.

Davis Discusses Election Expenses

Pittsburgh, Dec. 30.—(P)—A plan to seek federal supervision of election expenditures, "particularly in the primary" of 1944, was announced last night by U. S. Sen. James J. Davis (R-Pa.).

Declaring he would ask the majority leader of the senate to have introduced immediately a resolution to that effect, Davis said: "In Pennsylvania I want to see what funds come in from New York and what money originates inside and outside the state to be used in next April's primary. I don't want to see happen again what happened in Allegheny, Lackawanna and parts of Schuylkill and Philadelphia counties in 1942."

In 1942 Davis was defeated for the Republican nomination by Governor Edward A. Martin. Davis, answering a question, said he was not announcing his candidacy for re-election. Previously he had said he was to be considered a candidate until he announced otherwise.

Oakland, Calif., Has Unique Dry Launching

Oakland, Calif., Dec. 30.—"God bless you and speed you through the dangerous waters," said sponsor Mrs. Morley E. Mackenzie of Toronto, Canada, and she snatched a champagne bottle on its nose. Bands played, a crowd of 800 looked on.

But the C-2 freighter S. S. Defiance didn't budge on the Moore Shipyard ways, and a dry launching unique in maritime history was completed. Workers belonging to an AFL Carpenters' (Shipwright) Union yesterday refused to pull the blocks from under the vessel, and a union spokesman declared no more ships will go into the water in this area until launching crews receive a full day's pay for their work in keeping with shipbuilding tradition.

Cold Storage Poultry Stocks Held For Army

Action is Taken by WFA After Shortages Are Reported

REQUIREMENTS LOW

Washington, Dec. 30.—(P)—Chicken soon will appear less often on home, restaurant and hotel menus as a substitute for rationed meats.

The War Food Administration last night ordered cold storage stocks of chickens set aside for the armed services, military hospitals, the War Shipping Administration and other agencies buying for government account. Included were stocks of more than 3,000 pounds held by hotels, restaurants, wholesalers and retailers as well as processors.

This action was taken after the army complained that for many months it had been unable to obtain more than 20 per cent of its requirements for a twice-monthly Sunday chicken dinner for men in service.

Unaffected by the order are marketings of poultry made beginning today. The agriculture department said marketings are likely to continue larger than a year earlier for the first few weeks of 1944, but then to decline sharply. This is the tag end of the 1943 marketing season.

Because livestock feed supplies are below requirements of present livestock population, the War Food Administration has asked farmers to produce fewer commercial broilers and fryers in 1944.

PROBE CONTINUED IN MEADVILLE TRAGEDY

Meadville, Dec. 30.—(P)—A report from the coroner's office is awaited before any further action will be taken in the death of Conrad Kratz, 9, announced Assistant District Attorney Kenneth W. Rice. The boy died yesterday after being struck by a bullet from a revolver which a playmate, George David First, 10, said he fired accidentally.

The First boy was released in custody of his father for a juvenile court hearing which Judge O. Clare Kent said probably will be held within the next few days.

Steelworkers Still Seek Wage Boosts

Pittsburgh, Dec. 30.—(P)—Negotiation for a new wage contract was pushed forward today by the CIO United Steel Workers of America while the last of some 170,000 workers who participated in work stoppages returned to their jobs and steel production moved rapidly back toward normal.

The union is holding bargaining sessions with representatives of five United States Steel Corporation subsidiaries. The agreement with this group usually served as model for the industry.

Any wage increase agreed upon will be retroactive to the contract expiration date, subject to the government's stabilization program. It was on this understanding that the work stoppages were called off.

EIGHTH ARMY PRESSES MILE UP ADRIATIC

Fortresses Concentrate on Blocking Seaports and Railroads Aiding German Forces

IMPORTANT HILL SEIZED

By RICHARD G. MASSOCK
Allied Headquarters, Algiers, Dec. 30.—(P)—Eighth Army troops have pressed a mile up the Adriatic coast from Ortona toward Pescara over a heavily-mined road. Allied headquarters announced today, while American bombers ripped into Nazi supply lines in Italy.

Flying Fortresses, Marauders and other bombers concentrated yesterday on blocking seaports and railroads supplying German forces across the peninsula battle line, with heavy blows especially on Rimini and Ferrara.

On the left flank of their advance at Ortona, Eighth Army units seized an important hill half a mile northwest of Villa Grande, headquarters said.

In the central sector, Fifth Army troops stormed 3,000-foot Mt. Cerasuolo, five miles east of Biagio, after a half-mile advance. The hill overlooks the Colle-Atina highway. Heavy German attacks on Ponta Fiume, at the mouth of the Garigliano river on the west coast, have died down, with the village still in Allied hands, a headquarters officer said. Elsewhere on the front patrols were active.

While fighting swayed back and forth in Villa Santa Maria in mountain country along the Sangro, 22 miles inland from the Adriatic, it was disclosed that British troops had occupied and pushed on through Castel Di Sangro, 17 miles to the southwest.

Troops which took Ortona Tuesday found the town full of booby traps and time bombs. The Germans were reported still holding San Vittore on the road to Cassino, but delayed battle line dispatches, the communiqué added. Fighter escorted heavy bombers in strong formations bombed buildings and railroads at Rimini in northern Italy and Ferrara, 28 miles north-east of Bologna, starting fires and explosions, the communiqué added. Medium bombers hit installations at Certaldo, Oriveto, Bucine, and Poligno above Rome. No Allied planes were lost.

Warhawks and Baltimore also attacked shipping off the Yugoslav coast and hit one 6,000-ton ship near the Peljesac peninsula.

Message From Prime Minister Is Cheerful

London, Dec. 30.—(P)—Prime Minister Churchill disclosed today in a cheerful message issued through No. 10 Downing Street that he has recovered from his attack of pneumonia and is "able to transact business fully."

The note, addressed to those who had "been so kind as to inquire" about him during his illness, said he was leaving for what he called "an unannounced destination." He became ill somewhere in the Middle East.

"I feel a good deal better than at any time since leaving England," the prime minister said, "although of course a few weeks in sunshine are needed to restore my physical strength."

He gave high praise to the physicians and nurses who cared for him and expressed the hope that "all our battles will be equally well conducted." He said that an "admirable" sulfa drug which was administered did its work "most effectively."

"I have not at any time had to relinquish my part in the direction of affairs and there has been no slightest delay in giving decisions which were required of me," the note continued. His illness, he said, had forced him to cancel a proposed trip to the Italian front.

The pattern of two mighty Soviet offensives: Vitebsk in White Russia is hemmed in on three sides and untenable with only the railroad to the south open for supplies; Riga is the probable goal of the Reds, to cut off the Leningrad Nazis. In the Ukraine the Russians are again at Zhitomir, its recapture imminent as the Germans falter after a furious but abortive six-week drive for Kiev. The Polish border is 75 miles beyond, the Rumanian 135 miles.

Two Overcome by Natural Gas Are Revived by Quick Work Of Firemen and Assistants

Quick work on the part of the men of the fire department and the family physician, aided by the Rev. Beecher Rutledge, of Trinity Memorial church, undoubtedly saved the lives of Mrs. Katherine Steinkamp and Mrs. Minnie Steinkamp, 617 Conewango avenue, yesterday afternoon. The two women were overcome by natural gas at their home. Use of the mechanical life saving equipment of the fire department was made and the women were taken to the hospital upon regaining consciousness. They are still in the institution and their condition is favorable.

The two women were alone in the home during the afternoon and the gas in the kitchen stove for some reason was turned on but not lighted. The gas escaped into the adjoining rooms, a living room and a bedroom which opened off the living room. Mrs. Katherine Steinkamp was overcome first by the gas fumes and lay upon the bed in the bedroom. Mrs. Minnie Steinkamp, also feeling the effects of the gas, had presence of mind sufficiently to shut off the gas in the stove and call a physician before she collapsed on a davenport in the living room.

The physician called the emergency truck at the Central fire station and Lieut. Ed. Springer and Charles Engard responded. They went to work on the woman overcome first with the H. and H. Inhalator of the department, which is always carried in the emergency truck. Fire Chief D. G. Kropp and Ralph Dalrymple also responded with the resuscitator in the department station wagon. They took over with the younger woman. The family physician and the (Turn to Page Seven)

Ikkes Acts To Halt Shortage Of Hard Coal

Washington, Dec. 30.—(P)—Interior Secretary Ikkes announced today that the hard coal shortage in the east is so severe that no more hard coal will be shipped west of the Ohio-Pennsylvania boundary until April 1.

The embargo on westward shipments, he said, will provide about 300,000 additional tons for the east. Ikkes, replying sarcastically to the War Manpower Commission, asserted he is more positive than ever the coal shortage is due "to a considerable extent" to a manpower shortage.

He accused the Manpower Commission of giving no help except to conduct a recruiting campaign that was unsuccessful. The Manpower Commission recently attributed coal shortages to the work stoppages in the mines. (Turn to Page Seven)

Strength of United Nations To Be Shifted Against Japs

Washington, Dec. 30.—(P)—Japan will be continued and increased. Admiral Ernest J. King, commander in chief of the fleet, said today that plans are ready for shifting full strength of the United Nations into the war against Japan, probably sometime in 1944.

Preparations of the plans, he said, have been under way for several months and may not wait until defeat of Germany, which he agreed with Gen. Dwight D. Eisenhower may be expected in 1944. "I am hopeful and expectant," King said, "that Germany will be defeated in 1944. I am expectant that unremitting pressure on

NEW DEFENSE POSITION IS ESTABLISHED

Japanese Concentrating Relatively Strong Force Around Menaced Airstrip

FLAMETHROWERS USED

By MORRIS LANDSBERG
Associated Press War Editor
Jung's fighting flared with sudden intensity on the American-invaded Cape Gloucester front of New Britain as Allied planes, ships and troops pounded the Japanese in the New Britain-New Guinea-Bougainville sector of the embattled Pacific.

The Japanese, breaking up their initial coastal defense line at Cape Gloucester, concentrated a relatively strong force around their menaced airstrip on the western flank, and threw a division or more into the Borgen Bay area to the east.

U. S. marines, however, expanded their positions on both beachheads with the support of artillery and air bombardment. One unit, using flamethrowers to clear the way, advanced to within one mile of the enemy airbase, and killed at least 200 Japanese in a battle on the bank of an unnamed river.

Allied warplanes struck again at Japanese air facilities elsewhere on their key island in the southwest Pacific. Forty Solomons-based fighters swept over Rabaul, on the northeast tip, and tangled with 60 interceptors. Returning pilots said they had shot down 17 enemy planes at a cost of one of their own. Other Allied fliers attacked air installations at Gasmata, on the southwest coast, and at Cape Hoskins almost directly across the island.

In a steadily-advancing drive that parallels the Cape Gloucester campaign, Australians reached Blucher Point, about 30 miles north of Allied-held Finschhafen, on the coast of northeastern New Guinea. Enemy positions in the Alexishafen area were blasted with 72 tons of bombs.

U. S. warships, including cruisers, ventured far down the eastern coast of Bougainville to bombard Kieta for an hour and a half. It (Turn to Page Seven)

65 Transfusions Fail To Save Nurse

Bryn Mawr, Dec. 30.—(P)—Sixty-five transfusions failed to save the life of Ruth Harvey, 25-year-old practical nurse who carried a three-months-old boy to safety while her dressing gown was ablaze.

Death came in Bryn Mawr Hospital yesterday, a few hours after the institution had appealed for donors to replenish its nearly exhausted blood bank.

Sixty per cent of Miss Harvey's body surface was burned when her gown caught fire from an electric heater as she gave the twin babies of Lt. and Mrs. Whitney Smith their early morning bottle two weeks ago.

Before trying to save herself, she carried Whitney, Jr., who had been in her lap, to his bed. Then, running from the room, she threw herself on a rug and beat out the flames.

Friends gave dozens of transfusions before the hospital called for donors.

Fire and Panic In Chicago Is Recalled

Chicago, Dec. 30.—(P)—Forty years ago today nearly 600 persons, mostly women and children, perished in fire and panic as flames roared through the Iroquois theater.

There were 1,900 persons at a matinee in the new loop theater on Dec. 30, 1903, when the fire broke out. In 15 minutes the fire, which started when a spot light ignited stage drapes, was out and an estimated 600 persons were dead. The loss of life compared with 300 dead in the Chicago fire of 1871, and 491 killed last year in the Boston night club fire.

The 40th annual Memorial service for the victims of the tragedy was held today and attending were three members from the show's original cast of nearly 300.

Baptist Pastor Delivers Talk To Kiwanians

Rev. Ernest Ruark, pastor of the Baptist church in Warren gave a very timely and informative talk to the Kiwanis Club yesterday on the making of a minister and his work in the church.

Tracing his personal experiences from a lad to his present position, the talk by Rev. Ruark proved very interesting. The telling of many of the secrets of a minister's work in a community and how Kiwanians would best cooperate with their respective churches to give primacy to the human and spiritual, rather than to the material values of life, were some of the important points mentioned.

President H. W. Ledebur announced the program committee for January would be Attorney John Stewart, Edward Sullivan, and Comdr. Magno Z. De Carvalho. Appointed as sergeants for January were: Frank Cummins (chairman), Rev. Harold Knappenburger, and Addison White.

Next weeks program will feature the installation of new officers by the Lt. Gov. of Kiwanis Charles Turan from Meadville. Newly elected officers are: President, C. W. Peterson, a president, Dr. J. Russell Elliott; 2nd vice president, Cecil Winans; treasurer, Dr. R. L. Young, and secretary, T. D. Cook.

Young Peoples' Convention Draws Over 200 Delegates

Youngsville, Dec. 29.—The Erie Conference mid-year convention of the Young People's Union of the United Brethren in Christ Church held in the Youngsville church was largely attended. The theme of the convention was "Youth Mobilized for the Task." The convention text 2nd Tim. 2-3-4.

The convention opened for registration Monday at 4:30 p. m. with a fine banquet at 6:30 p. m. in the church dining room. Rev. Donald Dibble of Buffalo, a former local U. B. pastor was in charge of the music with Miss Marie Scott, pianist. James Thompson of Youngsville was the toastmaster.

The welcome was given by George Kay of the local U. B. church and the response was given

by Miss Joyce Anderegg.

The roll call of districts showed that despite the inclement weather and the fact that many had to come a long distance and it was a time of much sickness, the attendance was splendid being over 200. The auditorium of the church was filled nearly to capacity at some of the sessions.

Rev. Vincent Pomeroy, pastor of the Deckerd Charge and the new president of the Young People's union presided at the two evening sessions. The Monday evening song service and devotion was led by Rev. Donald Dibble. A trumpet solo was given by Bert Peterson and a vocal duet was also a special number. The principal speaker of the evening was Dr. George A. Cole, pastor of the Prospect Ave. Baptist church of Buffalo. His theme was prayer.

Tuesday there were sessions in the morning, afternoon and evening. In the morning there was a directed meditation with delegates bringing their Bibles with the Rev. Mr. Dibble, lead the music. Sectional conferences were held with the topics "Evangelism," "Stewardship," "Social Life" and "Means and Methods." The address of the morning by Dr. Cole was on "Qualifications."

The noonday prayer was for the young people in the Armed Service. Rev. Dibble lead the afternoon music. The Jordan sisters of Olean rendered special numbers. "Freedom" was subject of Dr. George A. Cole's talk of the afternoon. Young People's Directors meeting emphasized Keeping the Quiet Hour and considered Intermediate Work.

The closing service of the conference Tuesday evening opening at 7 p. m. was very impressive. The song service was under the direction of Rev. Donald Dibble with the devotional message by Rev. J. Leo Maneval of Buffalo as the speaker. Special music numbers included a girls sextette (vocal) and a duet by Rev. and Mrs. Dibble. Dr. George A. Cole gave a very impressive talk on the topic of "commission" applied to the Christian. The first of the "Master" and then to his followers down through the ages. The closing moments of the convention were periods of special consecration.

Dr. and Mrs. S. P. Weaver, of Jamestown, Superintendent of Erie Conference, and a number of other pastors and their wives were present. Appreciation was expressed to the Youngsville church for the fine meals served and to the community for entertaining in their homes the guests for the night.

Aviation Cadets At Greensboro

(Special to the Times-Mirror) Greensboro, N. C., Dec. 30.—Three pre-aviation cadet candidates from Warren, Pa., and vicinity have arrived at Basic Training Center No. 10 of the AAF Training Command.

While attached to this station, the cadet candidates will take medical and co-ordination tests to determine whether they are qualified for pilot, bombardier, or navigator training.

They are: Pvt. John M. Retzer, son of Mr. and Mrs. John J. Retzer, 112 Central avenue, and Pvt. Edward F. Benbenek, son of Mrs. Frank Benbenek, 929 Stone avenue, Warren and Pvt. Elvin P. Bimber, son of F. E. Bomber, RD 1, Pittsfield, Pa.

Pvts. Retzer and Benbenek attended Warren high school and were employed, prior to their induction by the Bell Aircraft Corporation, Niagara Falls, N. Y. Pvt. Bimber attended school at Sugar Grove and vocational school at Youngsville, Pa.

Minute Men To Meet January 3

The next meeting of Warren's company of Minute Men will meet Monday night, January 3rd at 8:00 p. m. at the Armory.

An interesting training program is being arranged for the winter. At the request of many of the members, another evening on the use of the compass and topographic maps is scheduled for the January 3rd meeting. All members having good compasses or topographic maps are requested to bring them. The company needs three new members to replace men who have entered the army or moved from Warren. Anyone interested may attend the meeting mentioned above and get complete details.

COLE HILL

Cole Hill, Dec. 27.—Mr. and Mrs. Fred Palmer and family of Torpedo attended the funeral services for Mrs. Palmer's mother, Mrs. Ellen Casey, which was held at the home of Howard Casey, 623 Prospect street, Warren, at two o'clock Sunday. Mrs. Ellen Casey was born Feb. 14, 1857. She leaves one daughter and four sons, Mrs. Palmer of Torpedo, Ward, Howard, Dewey and Joe Casey of Warren. One sister, Mrs. Dollie Hovis, Franklin; two brothers, Sim Henderson, Franklin, Harry Henderson, Tulsa, Okla.; also twelve grandchildren and seven great-grandchildren. She was a faithful member of Grace M. E. church in Warren. Relatives from a distance were Mrs. Dollie Hovis, Sim Henderson, Mr. and Mrs. Jake Hovis, Mr. and Mrs. Robert Hovis of Franklin.

Mr. and Mrs. Ed Williams were Christmas Day guests of Mr. and Mrs. Ross Davis at Youngsville.

Mr. and Mrs. Walter Peterson of the Garland-Torpedo road attended the Christmas dinner at the home of Mr. and Mrs. J. A. Goodwill at Garland. Other children and grandchildren of the Goodwills were present: Mr. and Mrs. Don Abraham and daughters, Patricia and Barbara, Youngsville; Mr. and Mrs. John Maloney and son, James, Corry; Mr. and Mrs. Albert Goodwill and daughter, Nancy, Robert Goodwill, who is in the British Isles, sent Christmas greetings to each one of his brothers and sisters and parents.

Miss Elizabeth Alibozek, who is attending Youngsville High School, is spending her Christmas vacation with her sister Mrs. Margaret Platko at Custer City.

Christmas guests at the home of Mr. and Mrs. Ernest Martin were Mrs. Sam Wolfe, Mr. and Mrs. Ellis Martin and children, Jean, Agatha, Howard, Beatrice and William, Youngsville; Mr. and Mrs. Ray McChesney and children,

and to the host pastor, Rev. C. M. McIntyre for all the pleasing arrangements of the convention.

Youngsville, Dec. 30.—The American Legion Post of Youngsville held open house for the Ladies Auxiliary and a few invited friends Tuesday evening. Program features included the Ladies Song Trio consisting of Misses Dorothy and Carmen Hendrickson and Warren Miss Mary Sigworth. Dorothy Hendrickson played two piano solos, "Summertime" and "Moon lit Water."

The trio sang two humorous numbers, "I've Been Working on the Railroad" and "Someone's in the Kitchen with Dinah." Miss Sigworth gave the poem, "Evening Prayer" and Carmen Hendrickson sang "The Rose of No-man's Land." Miss Augusta Johnson, American Legion Commandant gave a reading of interest on the anniversary of the Wright's great discovery in flying, "Darius Green and his Flying Machine."

Refreshments were served.

NEWS ABOUT TOWN

Mr. and Mrs. Roscoe Patch of Irvine and son Glen Patch of Youngsville left Tuesday morning for Crescent Sanitarium after receiving word that Elmer Patch, who is a patient there, was in a critical condition.

Mrs. Florence Chispel had as guests this week at her home in Jamestown, Mrs. Arthur Briggs, Mrs. Frank Falconer and Mrs. Glen Borden, the occasion for the visit was a get-together dinner at the home of Mrs. Chispel, honoring her granddaughter, Cpl. Donald Bockway, home for a Christmas vacation from Fresno, Calif., where she is stationed as a WAC. Ed Patch fell on the ice and fractured four ribs.

Mrs. Clara Mays while taking her sister back home skidded on icy pavement near Garland and the car overturned on its side. Fortunately no one was seriously injured.

Mrs. Ellen Carlett O'Donald has gone to Texas to spend Christmas with her husband in camp.

Lincoln-Burghardt Rites Were Celebrated on Tuesday Evening

A Christmas wedding took place Tuesday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. Donald Burghardt, North Warren, when their daughter, Janice, became the bride of Howard Paul Lincoln, son of Mrs. Grace Lincoln, also of North Warren. The Rev. J. H. Cruickshank, pastor of the North Warren Presbyterian church, performed the full rite ceremony before a background of Christmas appointments.

Prior to and during the ceremony Miss Rachel Blomquist played "Oh, Promise Me," "I Love You Truly" and Lohengrin's "Wedding March." The bride was given away by her father and her wedding gown was of white Duchess satin and lace with a fitted bodice and a sweetheart neckline, embroidered with pearls and a full skirt ending with a graceful train. Her long veil of white silk illusion fell from a tiara of pearl sequins. A bridal bouquet completed her ensemble. The maid of honor, Mrs. Margaret Quackenbush, wore a floor length aqua gown with a corsage of tea roses. The best man was Maynard Quackenbush.

A reception followed the ceremony at which ice cream, cake and coffee were served to the guests. Two bride's cakes were made by Mrs. Grace Lincoln and Mrs. Clyde Miller.

Following the reception Mr. and Mrs. Lincoln left for a short honeymoon in Buffalo. Guests present in addition to the parents of the young people were: Mr. and Mrs. Wallace Jewell and son, of Bradford; Robert Jewell, of Warren; Mrs. Murray Johnson, of Port Washington, Long Island; the bride's grandmother, Mrs. Lydia Burghardt, of Lockport, N. Y.; and Mrs. Minnie Headley, North Warren; Rachel Blomquist, Mr. and Mrs. Quackenbush, North Warren; Mrs. George Wales, Hornell, N. Y.; Mr. and Mrs. Clyde Miller and the Rev. and Mrs. Cruickshank, North Warren.

Will Celebrate Golden Wedding At Tionesta On New Year's Day

Mr. and Mrs. F. W. Dreyer will celebrate the 50th anniversary of their marriage on Saturday Jan. 1, 1944 with a reception from 10 a. m. until 12:00 noon at the Weaver hotel in Tionesta. This is to make it easier for their many friends in and around Tionesta to call and extend best wishes to this well known Forest Co. couple. Following a family dinner at the hotel, the Dreyers will leave for their home on Hunter Run and will have open house from 2 to 10 p. m.

Frederick William Dreyer and Rachel Luttia Jury were joined in wedlock on Jan. 1, 1894 in Olean, N. Y. The happy young couple went directly to the woodland tract on Hunter Run purchased by the groom the previous year. Mr. Dreyer had built a small house on it and had it crudely and scantily furnished. They soon acquired a cow and a few chickens which was the nucleus of the chicken and dairy products which today supply the Dreyer and many other tables with the choicest in these lines of food. Their first means of travel to town was by "oxen and cart" which were soon displaced by driving horses and today the "Ford" is at the door.

Mr. Dreyer followed the lumber business for many years and at the same time cleared his land a little each year. So today he has a very productive farm with a fully equipped barn and small buildings and a modern house. He left standing a plot of white pine which along with his reforestation plot afford him a great deal of pleasure. He is still a lumber man at heart.

During all these years, Mrs. Dreyer has been at his side doing the many things an efficient

woman can do to make a successful wife, mother and neighbor. Her hospitality is known far and wide and her culinary art is seldom bested even today when her arthritis keeps her from doing many things she would like to do. They both have held important positions in the county of Forest and in the Wesleyan Methodist church. They have been members of this church all their wedded life. They are today affiliated with several civil organizations in their county.

To this union were born Wm. Arlie Dreyer, chief pharmacist U. S. Navy now located at New Orleans, La. His war work and congested travel will keep him and his wife and daughter from attending the celebration.

Viola, Mrs. John Handy of Stewart, Helen, Mrs. Chas. Ries of Akron, O., who with their families plan to attend and also Miss Cleo at home.

NEW YEAR'S EVE PARTY

The Youth Fellowships of the First Methodist and Grace Methodist churches are meeting for a New Year's Eve Party at the Grace Methodist church Friday evening at 8:30. An evening of games, fun and fellowship has been planned by Melvin Furman and Harold Knappenberger, Jr. Refreshments will be served by the Grace Church Fellowship. All youth of both churches and their friends are invited. The evening will close with a devotional service for all members and friends of the churches. This service will be held in the Sanctuary at 11 p. m. Spend New Year's eve at church.

Sunday Wedding Is Celebrated in a Delightful Way

On Sunday, December 26 at 5 o'clock the Winburne Presbyterian church was the setting of a beautiful candlelight service uniting in marriage Miss Dorothy Johnson, daughter of Mr. and Mrs. W. R. Johnson, of Winburne to Capt. Luther Milsap, son of Mr. and Mrs. Frank Milsap, of Sugar Grove.

The bride, given in marriage by her father, was lovely in a basque gown of white chantilly lace and tulle. Her finger tip veil fell from a Queen Ann cap edged with tiny pearls. Her only jewelry was a strand of pearls, the gift of the groom. She carried an arm bouquet of white roses centered with a white orchid.

Miss Vivian Grey, cousin of the bride was Maid of Honor. She wore a gown of powder blue tulle with matching tulle and carried a bouquet of pink roses. The bridesmaid, Miss Katherine Butler wore an aqua blue marquisette gown and carried a bouquet of pink roses.

James Boyer, brother-in-law of the groom served as best man. Lt. William Lease and Neil Grey were the ushers.

The bride's mother chose a powder blue crepe dress and wore an orchid corsage.

An interlude of music was played preceding the ceremony by Mrs. Robert Parks at the organ. Traditional wedding marches were used.

The bride, a graduate of Pennsylvania State College is a member of the faculty of the Cranberry High School, at Seneca, Pa.

Capt. Milsap, a graduate of Grove City College is now stationed at Mitchell Field, L. I. Before entering the service he was employed by the Bell Telephone Company in Warren and Bradford.

Out of town guests were Mr. and Mrs. James Boyer, of Warren; Mr. and Mrs. Ed Reichart and Mrs. Albertine Johnson, of Buffalo, N. Y.; Mrs. Leland Williams and daughters, of Rochester, N. Y.; Mr. and Mrs. Joseph Grey and daughter, Marsteller, Pa.; Mr. and Mrs. Herbert Johnson and daughter, of West Decatur, Pa.

A reception for 50 persons was held following the ceremony at the home of the bride.

Captain and Mrs. Milsap left for a trip to New York and Mrs. Milsap chose a traveling ensemble of brown and wore a white orchid corsage.

Pupils Recital Greatly Enjoyed

Elizabeth O. Jack presented her pupils Tuesday evening in a very excellent program at her home, 13 Elm street. There were about forty guests present.

The program opened with the singing of several Christmas Carols by a group of Juniors. Piano selections were rendered by Jane McDonald, Walter Minglehoff, Betty Jackson, Joan Carlson, Iris Jean Eldridge, Marilyn Petersen, Marie Klenck, Carolyn Hendrickson, Dorothy Stoddard and Joseph Jack.

The program was interspersed with vocal selections by Frances Peterson, Jeanette Olson, Violet Peterson and Khar McDonald. The closing number was a group of quartets by Ione Maze, Violet Peterson, Frances Peterson and Jeanette Olson.

The manner in which the pupils presented their numbers showed thorough preparation, and the progress made was most gratifying to the parents.

Musical comments were given by Miss Leroy Haddess, which added much to the enjoyment of the program.

At the conclusion, refreshments were served by the hostess, assisted by Mrs. Leroy Stoddard and Mrs. Robert Carlson.

Social Events

NEW YEAR'S EVE AT FIRST EVANGELICAL

A busy program has been arranged for the congregation of the First Evangelical church New Year's Eve, concluding with a Watch Night service. Officials of the Women's Missionary Society will meet at seven o'clock; at eight o'clock there will be an hour of prayer, then the Bible study, and the annual election of Sunday school and church officers will be held, followed by a social hour beginning at ten.

ENTERTAINED AT DINNER

Mr. and Mrs. Charles Griggs entertained a group of friends at dinner last Sunday. They were: Mr. and Mrs. Henry Laird and son, Clayton, of Falconer, N. Y.; Mr. and Mrs. Calvin Gage and Mr. and Mrs. Harold Griggs and daughter, Sally Jane of Chancellers Valley. A delightful menu was served and the affair was much enjoyed.

Armour Ideas Make the Most of Meat

A Gay Way to Fix Star Smoked Tongue!

For holiday entertaining plan a buffet supper around a colorful plate of Star Smoked Beef Tongue with Horseradish Molds.

It'll cost you little more than 1 point per serving! And the delicious beef tongue and sharp, tangy mold create a flavor combination that can't be beat! What's more, the rich red of the meat and the cool green of the molds will give your buffet a nice holiday touch!

To serve about 12, get a 3 1/2 pound Armour's Star Smoked Beef Tongue. We suggest Star tongue because it's

flavorful and delicious...a real favorite with epicures!

Cover tongue with water and let simmer in covered container 3 to 4 hours, or until tender. After removing skin and roots from tongue, slice and serve on platter with horseradish molds made this way: Dissolve 1 package lime gelatin dessert in 1 cup hot water, add 1/4 cup prepared horseradish and chill in small molds. And here's a tip: The unsliceable meat makes a swell sandwich filling!

Fair Weather Is In Prospect At Pasadena

Pasadena, Calif., Dec. 30.—(P)—The prospect of fair weather for Saturday's Rose Bowl game between Washington and Southern California has buoyed the Trojans' hopes of keeping intact their record of never losing a football game here in six appearances.

Weather observers said there was a 70 percent prospect of fair skies for the New Year's contest which will decide the Pacific coast conference championship, if nothing else.

The Huskies and the Trojans had clear, cold weather and soggy footing for workouts yesterday. Those may be the playing conditions Saturday, for even if there is no more rain before game time the Rose Bowl turf will be a trifle slow.

Maj. Paul Schissler, major domo at March Field's army football camp, said he thought Southern California's chances would be greatly enhanced by good footing. His team lost to Washington, 27 to 7, and whipped the men of Troy, 35 to 0. The major, therefore, should be one of the best judges of the possible outcome.

PRODUCTION STEPPED UP

War production plans call for an increase in munitions of 35 percent above 1943 and 120 percent above 1942; increase in aircraft tonnage 185 percent above 1943 and 325 percent above 1942; maintenance of naval construction at about the present rate of 215 percent higher than 1942 or 130 percent more than the average for 1943.

Sports Quickly Shed Somber Raiment; Started in Gloom and Ended in Boom

By NED BROWN

NEA Staff Correspondent
New York, Dec. 30.—At the beginning of 1943, everybody believed it would be the poorest year in sports. Instead in many respects it turned out to be as good as any of its predecessors.

The baseball ranks were depleted, of course, and many colleges were forced to abandon football because the Army would not permit its trainees to compete. The standard of baseball play fell off, quite naturally, but the Navy's cooperation with the colleges and participation by the armed forces enabled football to field as many fine teams as are seen in a normal season. Indeed, the Notre Dame edition was rated with the all-time greats.

Thrill-seekers were not short-changed anywhere along the route. There were the phenomenal basketball Whiz Kids of Illinois in the spring and Brooklyn St. John's tying Wyoming as the buzzer sounded at Madison Square Garden and losing in overtime in what came as close to being a national championship game as could be arranged.

Count Fleet frightened opposition away from the races and threatening records with Johnny Longden holding an armful of horse.

Pari-mutuel betting totals soaring to unprecedented heights.

Sammy Byrd, Babe Ruth's understudy in baseball, winning the Victory Open, his first golfing prize, with a record total over Chicago's Tam O'Shanter. Lt. Patty Berg coming back under a physical handicap following the automobile accident to annex the Women's Western Open.

Cornelius Warnerham sky-rocketing to an unbelievable 15 feet 8½ in the pole vault. Gunder Haag, the Swift Swede, leaving America's finest routers gasping. Arne Anderson, his countryman, clipping the mile mark to 4:02.6, a hop, skip and jump from the fabled 4 flat.

Forest Hill center court in the throes of a muscle-knotting cramp after winning the national singles tennis championship.

A heavy-hearted Morton Cooper breaking the Yankee and American League jinx in the second game of the World Series, the Cooper brothers winning it for Pop after being advised that their father was dead.

Johnny Lindell's flying block on Whitey Kirovski in the eighth inning of the third game. The turning point of the series. Recruit Bill Johnson's triple with a traffic jam on the bases. The Cardinals falling apart at the seams.

Spud Chandler climaxed his smashing year with two victories over the Red Birds.

Garden Fight Is Cancelled At Last Minute

New York, Dec. 20.—(P)—It took the navy to do it, but Mike Jacobs finally has been forced to cancel a fight show on the very day it was scheduled.

The card booked for Madison Square Garden last night and headlining Jake La Motta and George Kochan was called off by the promoter less than three hours before it was scheduled to begin when it was learned that Kochan, a member of the coast guard, had received transfer orders effective immediately and would be unable to appear.

The closest Jacobs ever came before to such a "last minute" cancellation in his 10 years of promoting headline fights here was a postponement on the eve of the Henry Armstrong-Ceferino Garcia welterweight title bout in 1938, when Armstrong suffered a sacroiliac ailment.

Kochan, from Akron, Ohio, received his orders earlier in the day but believed he would be able to go through with the bout. Jacobs called off the show after receiving a wire from Washington naval authorities advising it would not be possible for Kochan to take part.

With the elimination of last night's program, the Garden ends its boxing year with a total of 322,021 fans and \$1,136,228 in gates for 22 (CQ) fight shows.

Texas Aggies Considered to Be Underdogs

Miami, Fla., Dec. 30.—(P)—The favored Texas Aggies should be rated no better than even against Louisiana State in the Orange Bowl, Coach Homer Norton believes, because they will go into the New Year's day classic as psychological underdogs.

"The hardest thing in football is to beat the same team twice," Norton insisted. "The fact that we defeated LSU once this season is a serious thing to overcome."

The Texas coach had heard about the LSU Tigers' earnest work to wipe out that early-season 28-13 defeat and he declared the advantage was all on their side.

Norton wasn't happy today as he prepared to put his team through the first practice session after the long train ride and one sleepless night sitting up in a coach. They give up their sleeping cars at New Orleans.

Norton expressed concern over his backfield ace, Marion Flanagan. The passing star twisted his knee in the final game with the University of Texas and hasn't responded properly.

SPORT SHORTS

San Francisco, Dec. 30.—(P)—Eastern and western football All-Stars, their one heavy scrimmage behind them, began tapering off practice today for the Shrine Charity New Year's Day. The east coaches, none too optimistic with 2-1 odds favoring the west, ordered two-day schedules for the rest of the week.

Chicago, Dec. 30.—(P)—The Chicago Blackhawks hockey players are staying out late nights this week—but Manager Paul Thompson approves because they're not breaking training. The Hawks are staging midnight practice sessions in preparation for their New Year's night game with the Montreal Canadiens.

Atlanta, Dec. 30.—(P)—Fattening financially off the Rose Bowl game last New Year's Day, the University of Georgia Athletic Association ended the last fiscal year on June 30 with a surplus of \$23,072 compared to a deficit of \$125,952 a year earlier.

Knoxville, Tenn., Dec. 30.—(P)—Ray Graves, former University of Tennessee center and now a member of the Philadelphia-Pittsburgh professional football club, has been added to the University's coaching staff. Coach John Barnhill said Tennessee is planning to play football next year.

Abbreviated Practices Are Satisfactory

By MAX PATRICK

New Orleans, Dec. 30.—(P)—Coaches Henry Frnka of Tulsa and Bill Alexander of Georgia Tech agree that their training sites and abbreviated practice periods for the Sugar Bowl game here New Year's day are "entirely satisfactory."

"Last year he worked 10 days here for our game with Tennessee," Frnka said at his training camp at nearby Bay St. Louis, Miss., today, "but I believe the four days of hiking in the sea air

and practicing will just about bring us to top strength."

Alexander said that the short practice in New Orleans was "adequate," but added that "we could use better weather."

The rival coaches also agree that forward passing will play an important part in the outcome of the Sugar Bowl game and that it will be a free scoring contest.

"I really expect to see both teams score two or more touchdowns apiece," Alexander said. "It will just be which team can get the most of their passes caught."

Frnka thinks that punting will have an important bearing on the outcome of the game.

Alaska is probably the world's healthiest war zone, since it has no typhus, tetanus, malaria or bed bugs.

HAMILTON'S BOYHOOD

In his youth, Alexander Hamilton lived in Christiansted, St. Croix, Virgin Islands, and became manager of a store there at the age of 14.

18th Class In Small Arms To Be Registered

The Warren Small Arms Firing School will register its 18th class on Monday and Tuesday evenings, January 3rd and 4th.

Any male person interested in learning to handle and fire a rifle in the manner prescribed by the armed forces may get complete information by appearing in the basement of the Warren Armory at 7 p. m. on Monday or Tuesday evening.

The first class period will be at 7 p. m. Tuesday. Each class period will be for two hours. Twelve hours instruction constitutes the course. Firing for record or qualification is held at the end of the final period and certificates of qualification are issued by the National Rifle Association.

Of interest to those who have already taken the instruction and who wish to get in some practice firing is the announcement that the school has set aside Monday evening of each week from 7 to 9 o'clock as "Practice Night". All shooting equipment will be furnished by the school and ammunition may be obtained at the range.

The Warren Small Arms Firing School is pleased with the interest shown in the course of instruction it has offered during the past year. The school, conducted jointly by the Complanter Gun Club and the Warren Rifle & Revolver Club, has given instruction to over 200 men of whom only about two percent have failed to qualify.

A number of letters have been received from men who took the instruction before they were enlisted and are now with the armed forces, thanking their instructors and telling of the advantage they have given their comrades on the rifle range.

Ickes Acts to Halt Shortage of Hard Coal

(From Page One)

At another point of a news conference, Ickes assailed coal distributors in the east who, he said, are reluctant to handle soft coal because they think "Santa will bring them anthracite."

These dealers, he said, apparently don't want to build up soft coal in their market areas and are "willing to do anything to win the war except the one thing they are capable of doing."

The cabinet member, who is Solid Fuel Administrator, declared there is "too damned much" of this in the United States.

"I'm not God," he said. "I can't make anthracite (hard coal) that's not there, and I can't produce miners."

In addition to the embargo cutting off hard coal from the west, he announced that 8,000 tons of New York City's share of hard coal is being "frozen" for sale only to consumers whose furnaces cannot burn soft coal.

of a bitterly resisting but exhausted enemy.

With the northern arm of Vatutin's forces rapidly expanding, a 42-mile breakthrough in the Leningrad-Orskaya railway from Korosten south to Chernyakhov, other units were closing in on Zhitomir from the north and east, and latest front dispatches placed vanguards beyond the town of Livkov, five miles northeast of that equally important junction on the western Ukraine rail network.

Nowhere were there any signs that Marshal Fritz von Manstein's thoroughly disorganized army would be able to stem the tumultuous Soviet onrush short of the Bug river.

On the southern front, inside the Dnieper river bend, Gen. Rodion Malinovsky's Third Ukrainian army, in a new supporting drive, second in importance only to Vatutin's offensive, struck westward across the river from Zaporozhe in a nine-mile advance that completely restored the great Dnieper dam to Russian hands.

Zaporozhe itself, 40 miles south of Dnepropetrovsk, was captured on Oct. 14. Today's thrust liberated more than 20 towns, including Khortitsa island in the Dnieper, opposite Zaporozhe, dispatches reported. This drive was apparently heading for Nikolov, chief source of Germany's sorely needed manganese, 35 miles southwest.

Old Employee Retiring From Penn Gas Co.

After having spent more than half a century of continuous service in the natural gas industry, Dennis O'Leary of Roystone Station is retiring as Chief Engineer and Director of both Pennsylvania Gas Company and Pennsylvania Oil Company on December 31st.

Mr. O'Leary was born on July 7, 1876 at Waterville, New York. He began his career in the natural gas business in January, 1900 when he was employed by The Northwestern Ohio Natural Gas Company at Van Buren, Ohio. He was

employed by that company for ten years working at first on pipe lines and later as engineer at Tonkin Station.

In 1922 while still employed by The Northwestern Company, he was sent to Roystone Station to install the first engines and boilers erected at Roystone.

In 1926 he went to Halsey Station of the United Natural Gas Company to erect and construct some of the first large engines put into service to pump gas which were built by National Transit Company. He remained at Halsey Station as engineer until 1932. In the early part of that year he was transferred to Oil City with the National Transit Company.

He began his service with Pennsylvania Gas Company at Roystone Station on April 17, 1932. He has had charge of the various phases of operation in connection

with gas compression and transmission. He has kept pace with the changes in industry and has built up Roystone Station so that today it has a capacity of 7,600 H. P.

In 1917 he had charge of building the Company's Sackett Station located in Elk county and in 1938 he went to Erie to take charge of reconstruction work at the company's Erie Works Station.

On January 1, 1927 Mr. O'Leary became Chief Engineer and on January 25, 1939 he was elected Director of both Pennsylvania Gas Company and Pennsylvania Oil Company.

He now believes it will be wise for him to curtail his activities and responsibilities and therefore has decided to retire on December 31, 1939 after fifty-four years of service.

Mr. O'Leary plans to make his home with his daughter, son-in-law and two granddaughters, Mr. and Mrs. Paul Harrington, Patricia Ann and Jean Elizabeth, 1105 Conewango Avenue, Warren.

Plan Community Day of Prayer

Pursuant to the President's proclamation the churches of Warren have planned four prayer services to be held in the borough, two down town and two on the east side. People living west of Conewango avenue are asked to attend the down town service at First Methodist church at 11 o'clock and 4 o'clock on New Year's Day, and those living east of Conewango avenue attend Salem Evangelical church, Pennsylvania avenue and Marion street, at the same hours. These services are planned with the idea of Prayer in mind, rather than preaching. The pastor of each church will preside and will be assisted by a visiting minister. The theme for these prayer services is, "Into the Unknown Future, Hand in Hand With God."

Similar meetings will be held next week, Tuesday, Wednesday and Thursday evenings, with places and leaders to be announced next week.

REICH HAMMERED BY AMERICANS AND RAF

Heavy Assault On Berlin Followed By Daylight Raid

Eighth Major Operation of Month for Flying Fortresses and Liberators is Part of Furious Attacks on Nazi Centers

SPECIFIC TARGETS NOT NAMED IN COMMUNIQUE

By W. W. HERCHER
London, Dec. 30.—(P)—American Eighth Airforce heavy bombers, driving deep into Europe by daylight following the RAF's 2,240 U. S. assault on Berlin last night, hammered targets in southwest Germany today.

It was the eighth major operation of the month for the Flying Fortresses and Liberators and was a part of a furious, day-long assault against the Nazis' continental installations. As usual, the American heavy bombers were escorted by a strong supporting force of American and RAF fighting planes.

The brief official announcement did not name specific targets, but in the area designated lie such key German cities as Stuttgart, Mannheim, Frankfurt and Karlsruhe.

Last night's heavy RAF assault may have finished off Berlin as the working capital of Germany.

The engines of the mighty RAF night armada that dealt the eighth heavy knock at the German capital since the campaign of destruction was begun were hardly cold before large formations of heavy daylight bombers, fighter-bombers and fighters streaked at all heights toward the continent in the direction of the bristling "rock-et-gun coasts" of France, last pounded by a 1,300-plane American fleet on Christmas eve.

The extraordinarily strong force of British Lancasters and Halifaxes went over desolated Berlin the early evening and through a heavy cover of clouds dumped one of the largest loads of explosives and fire bombs ever poured on one target in an attack in this war.

In the raiding formations was the largest force of heavy bombers ever sent out by the Royal Canadian air force.

In announcing the operation the air ministry described the attack as "very heavy" and concentrated, and said that smoke spiraled upward to 16,000 feet from the large fires set by 2,000 long tons of high explosives and incendiaries.

Twenty bombers were lost in the raid, in Mosquito attacks on western and central Germany and northern France, and in minelaying operations. Five of the heavy bombers lost were Canadian.

This was well below the average of 28 lost in the seven previous raids on Berlin.

Berlin still was digging out from the wreckage of a 1,000-ton blow early in the morning of Dec. 24 when the city was hit by an immense fire in which there is nothing more to bomb," a Swedish correspondent in Berlin reported to Stockholm last night after telephone service—severed between 7:50 p. m. and 9:30 p. m.—was restored.

The knock-out campaign began Nov. 18 when the RAF hurled 2,500 long tons on Berlin and Ludwigshafen. The succeeding raids on Berlin were:

Nov. 22—1,000 bombers dropping 2,300 long tons.

Nov. 23—An estimated 1,400 tons.

Nov. 26—More than 1,000 tons.

Dec. 2—More than 1,500 tons.

Dec. 16—1,500 tons.

Dec. 24—1,000 tons.

SOVIET RUSH HEADING FOR 1939 FRONTIER

Vatutin's First Ukraine Troops Drive Toward Bug River in Poland, 190 Miles Away

SPECTACULAR CAPTURE

By HENRY C. CASSIDY
Moscow, Dec. 30.—(P)—Gen. Nikolai Vatutin's first Ukraine army, spearheading a great Soviet three-front winter offensive, rolled toward Russia's 1939 frontier today across the flat, frozen steppes that contain few natural defense obstacles east of the Bug river in Poland, 190 miles away.

Vatutin's troops were less than 100 miles from the rail and river town of Gorodnitsa, on the old Polish-Russian border, following their spectacular capture of the air hub of Korosten yesterday. Aiming toward the first plunge out of Soviet territory, they pushed forward impetuously on the heels of the first Soviet offensive.

PHILADELPHIA WANTS AIRFIELD REOPENED

Philadelphia, Dec. 30.—(P)—Efforts to restore commercial air service to Philadelphia by completing northeast airport gained momentum today.

Representatives of the five major airlines that used Municipal Airport, closed last week by government order, to meet with him next Tuesday to outline their needs.

Public Works Director John H. Neeson said easements are being sought from owners of adjacent property to permit removal of obstructions to the new airport's approaches.

Northeast Airport is being built for the city by the Civil Aeronautics Administration.

Hike In Crude Price Opposed By Oklahoman

Washington, Dec. 30.—(P)—The House bill calling for an increase of at least 35 cents a barrel in crude oil prices is expected to pump into senate opposition led by Millionaire Senator E. H. Moore of Oklahoma who made his fortune in the oil business.

Supporters of the House-approved measure predicted today that a paradoxical situation will arise when the senate takes up the bill after the year-end congressional holiday, in view of opinions expressed by Moore in a radio speech in Fort Worth, Texas.

Moore, who won his senate seat a year ago after switching from the Democratic to the Republican party and since has criticized numerous administration policies, said in his Texas speech:

"There is no one more desirous of seeing the price of crude oil raised than I am but in this connection I am constrained to say that we must not desert our basic principle of government by asking congress to legislate prices."

The bill was introduced by Democratic Representative Wesley Boyer of Oklahoma, one of the chief oil producing states. Senator Homer Thomas, Oklahoma Democrat, announced he will attempt to attach the provision calling for an increase of at least 35 cents a barrel to legislation which would ban good subsidies.

New Britain Fighting Flares With Intensity

RAIL DISPUTE PROVOKED BY SALARY ISSUE

Nation's Transportation System Rid of Strike Threat But Not of Wage Controversy

CONTRACTS UNSIGNED

By JOSEPH A. LOFTUS
Washington, Dec. 30.—(P)—With the army at the throttle, the nation's railroad system was rid of a strike threat today but not of the wage controversy that provoked it.

The Brotherhoods, the Trainmen and the Engineers, executed agreements with the carriers, but the demands of the 18 other organizations remain unsettled. The case of the 15 nonoperating unions, in fact, seemed more tightly knotted than ever.

Chiefs of three operating unions—Conductors, Firemen and Switchmen—told Lieut. Gen. Brecken B. Somervell early yesterday they would not challenge the government, but they delayed sending strike cancellation orders to their chairmen in the field until 9 p. m., to include in the message some information of the wage settlement.

The order finally was sent without such information because, the union chiefs said, government spokesmen avoided a commitment.

The contracts signed by the Trainmen and the Engineers provided for an increase of 9 cents an hour and a week's vacation. Five cents of that amount was awarded by President Roosevelt, acting as arbitrator, as compensation for overtime and away-from-home expenses.

Similar terms were reported available to the Firemen, Conductors, and Switchmen, but the chiefs of these unions feared acceptance would mean a wage freeze for the duration of the war.

Alvanley Johnston, chief of the Engineers, expressed the opinion, however, that the agreement he executed may be opened on 30 days' notice except with respect to the overtime, expenses and vacation provisions.

Cold Storage Poultry Stocks Held For Army

Action is Taken by WFA After Shortages Are Reported

REQUIREMENTS LOW

Washington, Dec. 30.—(P)—Chicken soon will appear less often on home, restaurant and hotel menus as a substitute for rationed meats.

The War Food Administration last night ordered cold storage stocks of chickens set aside for the armed services, military hospitals, the War Shipping Administration and other agencies buying for government account.

Included were stocks of more than 3,000 pounds held by hotels, restaurants, wholesalers and retailers as well as processors.

This action was taken after the army complained that for many months it had been unable to obtain more than 20 per cent of its requirements for a twice-monthly Sunday chicken dinner for men in service.

Unaffected by the order are marketings of poultry made beginning today. The agriculture department said marketings are likely to continue larger than a year earlier for the first few weeks of 1944, but then to decline sharply.

Because livestock feed supplies are below requirements of present livestock population, the War Food Administration has asked farmers to produce fewer commercial broilers and fryers in 1944.

Davis Discusses Election Expenses

Pittsburgh, Dec. 30.—(P)—A plan to seek federal supervision of election expenditures, "particularly in the primary" of 1944, was announced last night by U. S. Sen. James J. Davis (R-Pa.).

Declaring he would ask the majority leader of the senate to have introduced immediately a resolution to that effect, Davis said:

"In Pennsylvania I want to see what funds come in from New York and what money originates inside and outside the state to be used in next April's primary. I don't want to see happen again what happened in Allegheny, Lackawanna and parts of Schuylkill and Philadelphia counties in 1942."

In 1942 Davis was defeated for the Republican nomination by Governor Edward A. Martin.

Davis, answering a question, said he was not announcing his candidacy for re-election. Previously he had said he was to be considered a candidate until he announced otherwise.

Capital Politics See Chief Executive Seeking 4th Term

By JACK BELL
Washington, Dec. 30.—(P)—The consensus of political Washington today appeared to be that President Roosevelt is a candidate for a fourth term on a platform promising to win the war and then to link America's economic and military future with that of other nations.

That was the deliberative Republican interpretation of Mr. Roosevelt's news conference action Tuesday in fondly laying at rest the new deal for a win-the-war program, in warning against economic and military isolation after

Fortresses Concentrate on Blocking Seaports and Railroads Aiding German Forces

IMPORTANT HILL SEIZED

By RICHARD G. MASSOCK
Allied Headquarters, Algiers, Dec. 30.—(P)—Eighth Army troops have pressed a mile up the Adriatic coast from Ortona toward Pescara over a heavily-mined road, Allied headquarters announced today, while American bombers ripped into Nazi supply lines in Italy.

Flying Fortresses, Marauders and other bombers concentrated yesterday on blocking seaports and railroads supplying German forces across the peninsula battle line, with heavy blows especially on Rimini and Ferrara.

On the left flank of their advance at Ortona, Eighth Army units seized an important hill half a mile northwest of Villa Grande, headquarters said.

In the central sector, Fifth Army troops stormed 3,000-foot Mt. Cerasuolo, five miles east of Biagio, after a half-mile advance. The hill overlooks the Colle-Atina highway.

Heavy German attacks on Ponta Fiume, at the mouth of the Garigliano river on the west coast, have died down, with the village still in Allied hands, a headquarters officer said. Elsewhere on the front patrols were active.

While fighting swayed back and forth in Villa Santa Maria in mountain country along the Sangro, 22 miles inland from the Adriatic, it was disclosed that British troops had occupied and pushed on through Castel Di Sangro, 17 miles to the southwest.

Troops which took Ortona Tuesday found the town full of booty traps and time bombs.

The Germans were reported still holding San Vittore on the road to Cassino, but delayed battle line dispatches from the Fifth Army front said that a terrific American artillery bombardment had leveled the village and that American patrols had penetrated the edge of the village but had been forced to withdraw.

Fighter escorted heavy bombers in strong formations bombed buildings and railroads at Rimini on the Adriatic coast in northern Italy and Ferrara, 28 miles north-east of Bologna, starting fires and explosions, the communique added.

Medium bombers hit installations at Certaldo, Oriveto, Bucine, and Foligno above Rome. No Allied planes were lost.

Warhawks and Baltimore also attacked shipping off the Yugoslav coast and hit one 6,000-ton ship near the Peljesac peninsula.

Message From Prime Minister Is Cheerful

London, Dec. 30.—(P)—Prime Minister Churchill disclosed today in a cheerful message issued through No. 10 Downing Street that he has recovered from his attack of pneumonia and is "able to transact business fully."

The note, addressed to those who had "been so kind as to inquire about him during his illness, said he was leaving for what he called "an unannounced destination." He became ill somewhere in the Middle East.

"I feel a good deal better than at any time since leaving England," the prime minister said, "although of course a few weeks in sunshine are needed to restore my physical strength."

He gave high praise to the physicians and nurses who cared for him and expressed the hope that "all our battles will be equally well conducted." He said that an "admirable" staff drug which was administered did its work "most effectively."

"I have not at any time had to relinquish my part in the direction of affairs and there has not been the slightest delay in giving decisions which were required of me," the note continued.

His illness, he said, had forced him to cancel a proposed trip to the Italian front.

Steelworkers Still Seek Wage Boosts

Pittsburgh, Dec. 30.—(P)—Negotiation for a new wage contract were pushed forward today by the CIO United Steel Workers of America while the last of some 170,000 workers who participated in work stoppages returned to their jobs and steel production moved rapidly back toward normal.

The union is holding bargaining sessions with representatives of five United States Steel Corporation subsidiaries. The agreement with this group usually served as model for the industry.

Any wage increase agreed upon will be retroactive to the contract expiration date, subject to the government's stabilization program. It was on this understanding that the work stoppages were called off.

The pattern of two mighty Soviet offensives: Vitebsk in White Russia is hemmed in on three sides and untenable with only the railroad to the south open for supplies; Riga is the probable goal of the Reds, to cut off the Leningrad Nazis. In the Ukraine the Russians are again at Zhitomir, its recapture imminent as the Germans falter after a furious but abortive six-week drive for Kiev. The Polish border is 75 miles beyond, the Rumanian 135 miles.

Two Overcome by Natural Gas Are Revived by Quick Work Of Firemen and Assistants

Quick work on the part of the men of the fire department and the family physician, aided by the Rev. Beecher Rutledge, of Trinity Memorial church, undoubtedly saved the lives of Mrs. Katherine Steinkamp and Mrs. Minnie Steinkamp, 617 Conewago avenue, yesterday afternoon. The two women were overcome by natural gas at their home. Use of the mechanical life saving equipment of the fire department was made and the women were taken to the hospital upon regaining consciousness. They are still in the institution and their condition is favorable.

Ikkes Acts To Halt Shortage Of Hard Coal

Washington, Dec. 30.—(P)—Interior Secretary Ikkes announced today that the hard coal shortage in the east is so severe that no more hard coal will be shipped west of the Ohio-Pennsylvania boundary until April 1.

The embargo on westward shipments, he said, will provide about 300,000 additional tons for the east.

Ikkes, replying sarcastically to the War Manpower Commission, asserted he is more positive than ever the coal shortage is due "to a considerable extent" to a manpower shortage.

He accused the Manpower Commission of giving no help except to conduct a recruiting campaign that was unsuccessful.

The Manpower Commission recently attributed coal shortages to the work stoppages in the mines (Turn to Page Seven)

Strength of United Nations To Be Shifted Against Japs

Washington, Dec. 30.—(P)—Admiral Ernest J. King, commander in chief of the fleet, said today that plans are ready for shifting full strength of the United Nations into the war against Japan, probably sometime in 1944.

Preparations of the plans, he said, has been under way for several months and may not wait until defeat of Germany, which he agreed with Gen. Dwight D. Eisenhower may be expected in 1944.

"I am hopeful and expectant," King said, "that Germany will be defeated in 1944. I am expectant that unremitting pressure on Japan will be continued and increased."

"I don't know whether anyone else has announced it but it would be an obvious thing—studies have been under way for several months looking to a shift of power from the European theater to the Pacific theater not only when Germany is defeated, but as her defeat seems near at hand."

The navy's commander-in-chief added in an interview that when the shift in power is made "the main lines of attack on Japan are already determined and additional means will be used to additionally implement the general strategy of defeat for Japan."

NEW DEFENSE POSITION IS ESTABLISHED

Japanese Concentrating Relatively Strong Force Around Menaced Airstrip

FLAMETHROWERS USED

By MORRIS LANDSBERG
Associated Press War Editor
Jung's fighting flared with sudden intensity on the American-invested Cape Gloucester front of New Britain as Allied planes, ships and troops pounded the Japanese in the New Britain-New Guinea-Bougainville sector of the embattled Pacific.

The Japanese, breaking up their initial coastal defense line at Cape Gloucester, concentrated a relatively strong force around their key island in the southwest Pacific. Forty Solomon-based fighters swept over Rabaul, on the northeast tip, and tangled with 60 interceptors. Returning pilots said they had shot down 17 enemy planes at a cost of one of their own. Other Allied fliers attacked air installations at Gasmata, on the southwest coast, and at Cape Hoskins almost directly across the island.

In a steadily-advancing drive that parallels the Cape Gloucester campaign, Australians reached Blucher Point, about 30 miles north of Allied-held Finschhafen, on the northeast coast, and at Cape Hoskins almost directly across the island.

U. S. warships, including cruisers, ventured far down the eastern coast of Bougainville to bombard Kieta for an hour and a half. It (Turn to Page Seven)

65 Transfusions Fail To Save Nurse

Bryn Mawr, Dec. 30.—(P)—Sixty-five transfusions failed to save the life of Ruth Harvey, 25-year-old practical nurse who carried a three-months-old boy to safety while her dressing gown was ablaze.

Death came in Bryn Mawr Hospital yesterday, a few hours after the institution had appealed for donors to replenish its nearly exhausted blood bank.

Sixty per cent of Miss Harvey's body surface was burned when her gown caught fire from an electric heater as she gave the twin babies of Lt. and Mrs. Whitney Smith their early morning bottle two weeks ago.

Before trying to save herself, she carried Whitney, Jr., who had been in her lap, to his bed. Then, running from the room, she threw herself on a rug and beat out the flames.

Friends gave dozens of transfusions before the hospital called for donors.

Fire and Panic In Chicago Is Recalled

Chicago, Dec. 30.—(P)—Forty years ago today nearly 600 persons, mostly women and children, perished in fire and panic as flames roared through the Iroquois theater.

There were 1,900 persons at a matinee in the new loop theater on Dec. 30, 1903, when the fire broke out. In 15 minutes the fire, which started when a spot light ignited stage drapes, was out and an estimated 600 persons were dead. The loss of life compared with 300 dead in the Chicago fire of 1871, and 491 killed last year in the Boston night club fire.

The 40th annual Memorial service for the victims of the tragedy was held today and attending were three members from the show's original cast of nearly 300.

Baptist Pastor Delivers Talk To Kiwanians

Rev. Ernest Ruark, pastor of the Baptist church in Warren gave a very timely and informative talk to the Kiwanis Club yesterday on the making of a minister and his work in the church.

Tracing his personal experiences from a lad to his present position, the talk by Rev. Ruark proved very interesting. The telling of many of the secrets of a minister's work in a community and how Kiwanians would best cooperate with their respective churches to give primacy to the human and spiritual, rather than to the material values of life, were some of the important points mentioned.

President H. W. Ledebur announced the program committee for January would be Attorney Charles Turan from Meadville. Newly elected officers are: President, C. W. Peterson; vice president, Dr. J. Russell Elliott; 2nd vice president, Cecil Winans; treasurer, Dr. R. L. Young, and secretary, T. D. Cook.

Next week's program will feature the installation of new officers by the Lt. Gov. of Kiwanis. Officers to be installed are: President, C. W. Peterson; vice president, Dr. J. Russell Elliott; 2nd vice president, Cecil Winans; treasurer, Dr. R. L. Young, and secretary, T. D. Cook.

Young Peoples' Convention Draws Over 200 Delegates

Youngsville, Dec. 29.—The Erie Conference mid-year convention of the Young People's Union of the United Brethren in Christ Church held in the Youngsville church was largely attended. The theme of the convention was "Youth Mobilized for the Task" with the convention text 2nd Tim. 2-3-4.

The convention opened for registration Monday at 4:30 p. m. with a fine banquet at 6:30 p. m. in the church dining room. Rev. Donald Dibble of Buffalo a former local U. B. pastor was in charge of the music with Miss Marie Scott, pianist. James Thompson of Youngsville was the toastmaster.

The welcome was given by George Kay of the local U. B. church and the response was given

by Miss Joyce Anderegge. The roll call of districts showed that despite the inclement weather and the fact that many had to come a long distance and it was a time of much sickness, the attendance was splendid being over 200. The auditorium of the church was filled nearly to capacity at some of the sessions.

Rev. Vincent Pomeroy, pastor of the Deckerd Charge and the new president of the Young People's union presided at the two evening sessions. The Monday evening song service and devotion was led by Rev. Donald Dibble. A trumpet solo was given by Bert Peterson and a vocal duet was also a special number. The principal speaker of the evening was Dr. George A. Cole, pastor of the Prospect Ave. Baptist church of Buffalo. His theme was prayer.

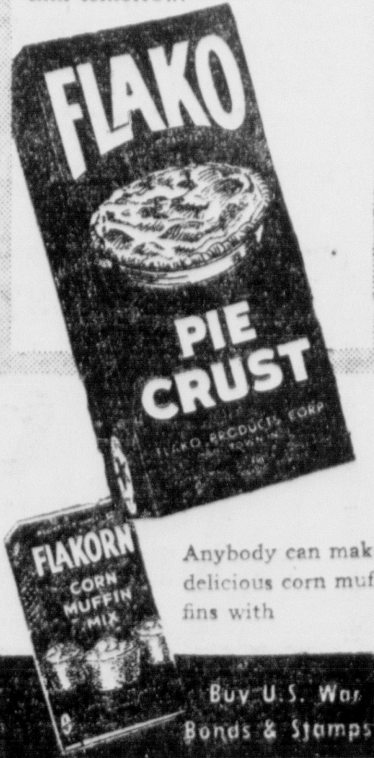

Tuesday there were sessions in the morning, afternoon and evening. In the morning there was a directed meditation with delegates bringing their Bibles with the Rev. Mr. Dibble, lead the music. Sectional conferences were held with the topics "Evangelism," "Stewardship," "Social Life" and "Means and Methods." The address of the morning by Dr. Cole was on "Qualifications."

The noonday prayer was for the young people in the Armed Service. Rev. Dibble lead the afternoon music. The Jordan sisters of Olean rendered special numbers. "Freedom" was subject of Dr. George A. Cole's talk of the afternoon. Young People's Directors meeting emphasized Keeping the Quiet Hour and considered Intermediate Work.

The closing service of the conference Tuesday evening opening at 7 p. m. was very impressive. The song service was under the direction of Rev. Donald Dibble by Rev. J. Leo Maneval of Buffalo as the speaker. Special music numbers included a girls sextette (vocal), and a duet by Rev. and Mrs. Dibble. Dr. George A. Cole gave a very impressive talk on the topic of "Commission" applied to the Christian life first of the "Master" and then to his followers down through the ages. The closing moments of the convention were periods of special consecration.

Dr. and Mrs. S. P. Weaver, of Jamestown, Superintendent of Erie Conference, and a number of other pastors and their wives were present. Appreciation was expressed to the Youngsville church for the fine meals served and to the community for entertaining in their homes the guests for the night.

Aviation Cadets At Greensboro

(Special to the Times-Mirror) Greensboro, N. C., Dec. 30.—Three pre-aviation cadet candidates from Warren, Pa., and vicinity have arrived at Basic Training Center No. 10 of the AAF Training Command.

While attached to this station, the cadet candidates will take medical and co-ordination tests to determine whether they are qualified for pilot, bombardier, or navigator training.

They are: Pvt. John M. Retzer, son of Mr. and Mrs. John J. Retzer, 112 Central avenue, and Pvt. Edward F. Benbenek, son of Mrs. Frank Benbenek, 929 Stone avenue, Warren and Pvt. Elvin P. Bimber, son of F. E. Bomber, R. D. 1, Pittsfield, Pa.

Pvts. Retzer and Benbenek attended Warren high school and were employed prior to their induction by the Bell Aircraft Corporation, Niagara Falls, N. Y. Pvt. Bimber attended school at Sugar Grove and vocational school at Youngsville, Pa.

Minute Men To Meet January 3

The next meeting of Warren's company of Minute Men will meet Monday night, January 3rd at 8:00 p. m. at the Armory.

An interesting training program is being arranged for the winter. At the request of many of the members, another evening on the use of the compass and topographic maps is scheduled for the January 3rd meeting. All members having good compasses or topographic maps are requested to bring them. The company needs three new members to replace men who have entered the army or moved from Warren. Anyone interested may attend the meeting mentioned above and get complete details.

COLE HILL

Cole Hill, Dec. 27.—Mr. and Mrs. Fred Palmer and family of Torpedo attended the funeral services for Mrs. Palmer's mother, Mrs. Ellen Casey, which was held at the home of Howard Casey, 623 Prospect street, Warren, at two o'clock Sunday. Mrs. Ellen Casey was born Feb. 14, 1857. She leaves one daughter and four sons, Mrs. Palmer of Torpedo, Ward, Howard, Dewey and Joe Casey of Warren. One sister, Mrs. Dollie Hovis, Franklin; two brothers, Sim Henderson, Franklin, Harry Henderson, Tulsa, Okla.; also twelve grandchildren and seven great-grandchildren. She was a faithful member of Grace M. E. church in Warren. Relatives from a distance were Mrs. Dollie Hovis, Sim Henderson, Mr. and Mrs. Jake Hovis, Mr. and Mrs. Robert Hovis of Franklin.

Mr. and Mrs. Ed Williams were Christmas Day guests of Mr. and Mrs. Ross Davis at Youngsville. Mr. and Mrs. Walter Peterson of the Garland-Torpedo road attended the Christmas dinner at the home of Mr. and Mrs. J. A. Goodwill at Garland. Other children and grandchildren of the Goodwills were present; Mr. and Mrs. Don Abraham and daughters, Patricia and Barbara, Youngsville; Mr. and Mrs. John Maloney and son, James, Corry; Mr. and Mrs. Albert Goodwill and daughter, Nancy, Robert Goodwill, who is in the British Isles, sent Christmas greetings to each one of his brothers and sisters and parents.

Miss Elizabeth Alibozek, who is attending Youngsville High School, is spending her Christmas vacation with her sister Mrs. Margaret Plakto, at Custer City.

Christmas guests at the home of Mr. and Mrs. Ernest Martin were Mrs. Sam Wolfe, Mr. and Mrs. Ellis Martin and children, Jean, Agatha, Howard, Beatrice and William, Youngsville; Mr. and Mrs. Ray McChesney and children,

and to the host pastor, Rev. C. M. McIntyre for all the pleasing arrangements of the convention.

Youngsville, Dec. 30.—The American Legion Post of Youngsville held open house for the Ladies Auxiliary and a few invited friends Tuesday evening. Program features included the Ladies Song Trio consisting of Misses Dorothy and Carmen Hendrickson and from Warren Miss Mary Sigworth. Dorothy Hendrickson played two piano solos, "Summertime" and "Moon lit Water".

The trio sang two humorous numbers, "I've Been Working on the Railroad" and "Someone's in the Kitchen with Dinah". Miss Elsworth gave the poem, "Evening Prayer" and Carmen Hendrickson sang "The Rose of Noman's Land." Miss Augusta Johnson, American Legion Commander gave a reading of interest on the anniversary of the Wright's great discovery in flying "Darius Green and his Flying Machine."

Refreshments were served.

NEWS ABOUT TOWN
Mr. and Mrs. Roscoe Patch of Irvine and son Glen Patch of Youngsville left Tuesday morning for Crescent Sanitarium after receiving word that Elmer Patch, who is a patient there, was in a critical condition.

Mrs. Florence Chispe had as guests this week at her home in Jamestown, Mrs. Arthur Briggs, Mrs. Frank Falconer and Mrs. Glen Borden, the occasion for the visit was a get-together dinner at the home of Mrs. Chispe, honoring her granddaughter, Cpl. Donald Bockway, home for a Christmas vacation from Fresno, Calif., where she is stationed as a WAC.

Ed Patch fell on the ice and fractured four ribs.
Mrs. Clara Mays while taking her sister back home skidded on an icy pavement near Garland and the car overturned on its side. Fortunately no one was seriously injured.

Mrs. Ellen Carlett O'Donald has gone to Texas to spend Christmas with her husband in camp.

Joyce, Alice, Junior and Gail, Torpedo.

The Fred McChesney family on Ross Hill had the misfortune to have their home burned to the ground Friday morning about 5 o'clock. When the fire was discovered the kitchen ceiling and upstairs were ablaze. All the family escaped from the burning building with just what clothing they wore. Nothing else was saved. No insurance was carried on the building. At present they are staying at the home of Mr. and Mrs. John Zavinski.

Word has come here of the birth of a daughter to Mr. and Mrs. John Plakto of Custer City on Dec. 10th, and will be named Pauline Alene Plakto. Mrs. Plakto was formerly Miss Margaret Bedner of this place.

Word has come here of the death of Donald Barber Saturday morning, Dec. 18th. He was born June 11, 1918. He lived here with his parents, Mr. and Mrs. Leslie Barber, on the farm now owned by Mrs. John Franko.

Miss Marion Holmes, who is attending Houghton College at Houghton, N. Y., is spending her Christmas vacation with her parents, Mr. and Mrs. Seth Holmes.

Congratulations to Frank Alibozek of this place and Mrs. Ronny Hackman of Pittsfield, who were married Nov. 20th at 11 a. m. in the Greek Orthodox church in Sheffield. After the ceremony the

wedding dinner was served at Mrs. Hackman's home on the Youngsville-Pittsfield road by her daughters. They will make their home on Cole Hill. The Hackman farm will be sold or rented.

Mr. and Mrs. Lester Hanks of Corry were Sunday guests of Mr. and Mrs. Ed Williams.

Willis Wentworth spent Christmas here with his father, George Wentworth.

Arthur McChesney, who is at Indiantown Gap, was home on a furlough visiting his parents, Mr. and Mrs. Fred McChesney.

Christmas Day guests of Mr. and Mrs. Frank Alibozek were Mr. and Mrs. Chas. Donke and daughters, Betty and Donna, Garland; Mr. and Mrs. Bill Hackman and sons, Billy, Teddy and Don, Youngsville; Mr. and Mrs. Metro Hada and daughter, May, Murray Hill.

Mr. and Mrs. J. A. Goodwill and daughters, Mary Lou, Dorothy Jane and Irene, of Garland, were Sunday visitors of Mr. and Mrs. Walter Peterson.

Christmas guests of Mr. and Mrs. Chas. Camp were Mrs. Clara Schell, Mrs. Clarence Conklin, Corry; Mrs. Bertha Gamble, Youngsville; Mr. and Mrs. Glenn Schell of the Garland-Torpedo road.

Christmas guests of Mr. and Mrs. John Nodzak were Mr. and Mrs. Sam Manno and daughter, Rose, and Miss Josephine Nodzak, Warren; Misses Helen and Lillian Nodzak of Youngsville.

Miss Clara Mae Wentworth celebrated her fifth birthday Wednesday, Dec. 15th, at the home of her parents, Mr. and Mrs. Willis Wentworth, at Pittsfield. A birthday supper, including a birthday cake, was served. Her grandfather, George Wentworth, of this place, was unable to be present.

Mrs. Anne Herdendorf and Mrs. Russell Templeton of Warren were visiting Mr. and Mrs. Grant Herdendorf of this place last Sunday. Dora Benedict celebrated her fourth birthday Dec. 23rd at her home on Ross Hill.

Gail McChesney celebrated his

fourth birthday at his home at Torpedo Friday, Dec. 17th, with a birthday supper.

YEARS AGO IN WARREN
Interesting Items Taken From The Warren Evening Times
In 1923
January 1st, Associate Judge A. W. Mumford's term will expire and due to the fact that J. W. Hughes, the other associate is in poor health there will be no side judges after the New Year. This is due to the law which provides that counties over 40,000 will have but one judge. D. U. Aird will occupy the bench alone in the future.
C. S. Knapp, H. L. Blair, C. R. Merrill and Mrs. Blanch McCun- tock are in attendance at the State Educational Convention in session at Philadelphia. The sessions of the convention will provide much of interest.
Martha Myers, little daughter of Mr. and Mrs. C. F. Myers, 414 Laurel street had a narrow escape from choking to death yesterday. A piece of butterscotch lodged in the windpipe of the child. A physician removed the obstruction.
Postmaster Marshall Marshall reports that the mail handled at the local office over Christmas was particularly heavy. It was all delivered in good time. Many extra men and trucks were used.
The second annual Christmas party of the Sakura Silk Company was a great success. The employees all received gifts and the manager Frank J. Clark was presented with a gold watch.
In 1933
Employees of the Bradford-Penn Refining Company enjoyed a turkey shoot recently with turkeys donated by the company. Lucky marksmen were L. Lindahl, Chuck Padgett, K. Nelson, A. E. Temple and F. R. Crockett.
Mr. and Mrs. J. C. Harrington, of Irvine celebrated their Golden Wedding today at their home. They have spent all of their married life in Irvine where they have a host of friends who aided in the celebration.
The Evening Register, of New Haven, Conn., contains an article telling of the wedding of William Hay, of Warren and Miss Dorothea Sanders, of New Haven on December 22.
New Years Eve the Gamma Sigma fraternity will stage its New Year's frolic for its friends at the Conewago Club. Good music will be a feature and there will be hats, noise makers and other favors.

HOME NURSING
The American Red Cross hopes to find a million women this year who are sufficiently interested in their families' health to spend a total of 24 hours in home nursing classes. This would be almost double the number that accepted the Red Cross' assistance in the year that ended June 30.
For some reason housewives have been slow about enrolling for home nursing courses. This might be because they do not understand what is involved. "Home nursing" means merely looking after one's own family when there is no trained nurse to be had or even, sometimes, no physician. It has nothing to do with the nurses' aid course, and is much broader than the first aid course.
Home nursing training does include a minimum of elementary first aid—what to do and what not to do in case of a bad fall, croup, acute abdominal pains, asphyxiation, etc. But this is incidental.
Primarily, the course teaches how to take temperature, pulse and respiration, and what the results mean, so that one can talk intelligently with a busy doctor or know whether it is urgent to call one.
It tells how to recognize early symptoms of illness, what to do to protect the family from communicable disease, how to take care of infants and young children.
The current epidemic of influenza emphasizes the value of such training. There aren't doctors enough to go around, and there aren't enough trained nurses. Housewives have to do much of what can be done. Intelligent home nursing is invaluable at a time like this.
The course, given under trained nurses and using actual classroom practice as a teaching method, requires a minimum of two hours a week and a maximum of four hours until the student has attended 24 hours of classes. If one is obliged to miss more than two classes she can shift to another group and go on from there.
She undertakes no commitment of any kind to use her training outside of her own home. There is no charge. At the end of the course, a Red Cross certificate is awarded to those who have passed successfully.
What the medical profession thinks of the need for such training is suggested by the action of the New York County Medical Society in recommending that physicians urge women to take advantage of the Red Cross' offer.

GOOD SPOTTING
One evening in mid-October, the Associated Press says it is now permissible to report, a Junkers 88 bomber that had spanned the Atlantic ocean flew across the eastern United States and landed at Wright Field, Dayton.
The bomber was one which a young German pilot, who decided the war had gone far enough so far as he was concerned, delivered to an Allied airfield in the Mediterranean. It was brought to this country for study by experts. But spotters along the route did not know that. To them it was a Nazi bomber. Frantic reports came into control centers. Three of them correctly identified the plane as a JU-88.
Such alert, intelligent spotting is encouraging. So is the fact that there were numerous occasions when the Junkers would have been shot down if its American crew had not identified themselves thoroughly. The whole story of the bomber's flight would contain small comfort for any Nazi idea of sneaking planes over here.

Value of the life saving equipment donated to the city by the Warren Lodge Loyal Order of Moose was demonstrated last evening when, after a quick run by men of the fire department, two women overcome by gas were restored to consciousness in a short time. The Moose presented two of the life saving machines and one, in use at the Warren General Hospital, has several times demonstrated its value when persons near death were quickly restored. It is especially worth while in the maternity building where the machine has been of use in numerous cases. The gift is one that is available to all residents and it is of note that every man in the fire department has been trained in its use.

PISO'S Soothers—Loosens Coughs Due to Colds

In 2 definite ways, modern-formula Piso's soothers night coughing caused by colds.

LOCALLY, Piso's soothing ingredients cling to the throat, quickly ease and relax irritated membranes that bring on coughing spells.

INTERNALLY, Piso's stimulates flow of normal throat secretions to loosen tight phlegm. For coughs due to colds, ask your druggist for a bottle of PISO'S (Piso-So's).

Lincoln-Burghardt Rites Were Celebrated on Tuesday Evening

A Christmas wedding took place Tuesday evening at 8 o'clock at the home of the bride's parents, Mr. and Mrs. Donald Burghardt, North Warren, when their daughter, Janice, became the bride of Howard Paul Lincoln, son of Mrs. Grace Lincoln, also of North Warren.

The Rev. J. H. Cruickshank, pastor of the North Warren Presbyterian church, performed the full ring ceremony before a background of Christmas appointments.

Prior to and during the ceremony Miss Rachel Blomquist played "Oh, Promise Me," "I Love You Truly" and Lohengrin's "Wedding March."

The bride was given in marriage by her father and her wedding gown was of white Duchess satin and lace with a fitted bodice and a sweetheart neckline, embroidered with pearls and a full skirt ending with a graceful train. Her long veil of white silk illusion fell from a tiara of pearl sequins. A bridal bouquet completed her ensemble.

The maid of honor, Mrs. Margaret Quackenbush, wore a floor length aqua gown with a corsage of tea roses. The best man was Maynard Quackenbush.

A reception followed the ceremony at which ice cream, cake and coffee were served to the guests. Two bride's cakes were made by Mrs. Grace Lincoln and Mrs. Clyde Miller.

Following the reception Mr. and Mrs. Lincoln left for a short honeymoon in Buffalo.

Guests present in addition to the parents of the young people were: Mr. and Mrs. Wallace Jewell and son, of Bradford; Robert Jewell, of Warren; Mrs. Murray Johnson, of Port Washington, Long Island; the bride's grandmother, Mrs. Lydia Burghardt, of Lockport, N. Y., and Mrs. Minnie Headley, North Warren; Rachel Blomquist, Mr. and Mrs. Quackenbush, North Warren; Mrs. George Wales, of Buffalo; Mr. and Mrs. Clyde Miller and the Rev. and Mrs. Cruickshank, North Warren.

The bride is a graduate of the Warren High School, class of 1942, and has attended the nursing school at the Deaconess Hospital, of Buffalo. The bridegroom is a graduate of the Warren High School and is now a cadet in the U. S. Army Air Corps at Camp Phillips, Kansas.

Will Celebrate Golden Wedding At Tionesta On New Year's Day

Mr. and Mrs. F. W. Dreyer will celebrate the 50th anniversary of their marriage on Saturday Jan. 1, 1944 with a reception from 10 a. m. until 2:00 noon at the Weaver farm in Tionesta. This is to make it easier for many friends in and around Tionesta to call and extend best wishes to this well known Forest Co. couple. Following a family dinner at the hotel, they will go to their home on Hunter Run and will have open house from 2 to 10 p. m.

Frederick William Dreyer and Rachel Luttia Jury were joined in wedlock on Jan. 1, 1894 in Olean, N. Y. The happy young couple went directly to the woodland tract on Hunter Run purchased by the groom the previous year. Mr. Dreyer had built a small house on it and had it crudely and scantily furnished. They soon acquired a cow and a few chickens which was the nucleus of the chicken and dairy products which today supply the Dreyer and many other tables with the choicest in these lines of food. Their first means of travel to town was by "oxen and cart" which were soon displaced by driving horses and today the "Ford" is at the door.

Mr. Dreyer followed the lumber business for many years and at the same time cleared his land a little each year. So today he has a very productive farm with a fully equipped barn and small buildings. He is still a lumber man at heart.

During all these years, Mrs. Dreyer has been at his side doing the many things an efficient

woman can do to make a successful wife, mother and neighbor. Her hospitality is known far and wide and her culinary art is seldom bested even today when her arthritis keeps her from doing many things she would like to do. They both have held important positions in the county of Forest and in the Wesleyan Methodist church. They have been members of this church all their wedded life. They are today affiliated with several civil organizations in their county.

To this union were born Wm. Arlie Dreyer, chief pharmacist U. S. Navy now located at New Orleans, La. His war work and congested travel will keep him and his wife and daughter from attending the celebration.

Viola, Mrs. John Handy of Stewart Run; Helen, Mrs. Chas. Ries of Akron, O., who with their families plan to attend and also Miss Cleo at home.

Sunday Wedding Is Celebrated in a Delightful Way

On Sunday, December 26 at 5 o'clock the Winburne Presbyterian church was the setting of a beautiful candlelight service uniting in marriage Miss Dorothy Johnson, daughter of Mr. and Mrs. W. R. Johnson, of Winburne to Capt. Luther Milsap, son of Mr. and Mrs. Frank Milsap, of Sugar Grove.

The bride, given in marriage by her father, was lovely in a basque gown of white chantilly lace and tulle. Her finger tip veil fell from a Queen Ann cap edged with tulle. Her only jewelry was a strand of pearls, the gift of the groom. She carried an arm bouquet of white roses centered with a white orchid.

Miss Vivian Grey, cousin of the bride was Maid of Honor. She wore a gown of powder blue tulle with matching tulle and carried a bouquet of pink roses. The bridesmaid, Miss Katherine Butler wore an aqua blue marquisette gown and carried a bouquet of pink roses.

James Boyer, brother-in-law of the groom, served as best man. Lt. William Lease and Neil Grey were the ushers.

The bride's mother chose a powder blue crepe dress and wore an orchid corsage.

An interlude of music was played preceding the ceremony by Mrs. Robert Parks at the organ. Traditional wedding marches were used.

The bride, a graduate of Pennsylvania State College is a member of the faculty of the Cranberry High School, at Seneca, Pa.

Capt. Milsap, a graduate of Grove City College is now stationed at Mitchell Field, L. I. Before entering the service he was employed by the Bell Telephone Company in Warren and Bradford.

Out of town guests were Mr. and Mrs. James Boyer, of Warren; Mr. and Mrs. Ed Reichart and Mrs. Albertine Johnson, of Buffalo, N. Y.; Mrs. Leland Williams and daughters, of Rochester, N. Y.; Mr. and Mrs. Joseph Grey and daughter, Marsteller, Pa.; and Mrs. Herbert Johnson and daughter, of West Decatur, Pa.

A reception for 50 persons was held following the ceremony at the home of the bride.

Captain and Mrs. Milsap left for a trip to New York and Mrs. Milsap chose a traveling ensemble of brown and wore a white orchid corsage.

Pupils Recital Greatly Enjoyed

Elizabeth O. Jack presented her pupils Tuesday evening in a very excellent program at her home, 13 Elm street. There were about forty guests present.

The program opened with the singing of several Christmas Carols by a group of Juniors. Piano selections were rendered by Jane McDonald, Walter Mingledorff, Betty Jackson, Joan Carlson, Iris Jean Eldridge, Marilyn Petersen, Marie Klenck, Carolyn Hendrickson, Dorothy Stoddard and Joseph Jack.

The program was interspersed with vocal selections by Frances Peterson, Jeanette Olsen, Violet Peterson and Kilar McDonald. The closing number was a group of quartets by Ione Maze, Violet Peterson, Frances Peterson and Jeanette Olson.

The manner in which the pupils presented their numbers showed thorough preparation, and the program made was most gratifying to the parents.

Musical comments were given by Miss Lorraine Harkless, which added much to the enjoyment of the program.

At the conclusion, refreshments were served by the hostess, assisted by Mrs. Leroy Stoddard and Mrs. Robert Carlson.

Social Events

NEW YEAR'S EVE AT FIRST EVANGELICAL

FINLAN FUNERAL

Funeral services for Nick Finlan, of Youngsville, were held Tuesday morning at 10 o'clock at St. Luke's church in Irvine. The following served as bearers: James Palmer, Clarence Sherrard, Virgil Palmer, Glen Finlan, Ward Proper and Maurice Smutz. Interment was made in St. Joseph's cemetery.

Those who attended from a distance were: John Woods, Olean; Maurice Smutz, Eden, N. Y.; Lawrence Finlan and Orpha Johnson, Erie; Mrs. Cleve Perkins, Corry; and Mary Finlan, Union City. A number of other relatives and friends from Sugar Grove, Chancellors Valley and Warren also attended.

MRS. W. C. HAEHN

Mrs. Barbara Belknap Haehn, aged 47, wife of W. C. Haehn, was found dead in bed yesterday morning by her daughter, Marian, aged 12. The daughter told Coroner Ed C. Lowrey that she heard her mother about midnight.

Mrs. Haehn had suffered from a heart ailment for the past year, and apparently passed away in her sleep.

Mrs. Haehn was a daughter of Mr. and Mrs. George Belknap and was born in Warren county June 12, 1896. Besides her husband, who is employed in Erie, she leaves the

daughter mentioned, two stepsons, John F. Haehn of Grand Valley and Cleo Haehn in the Navy, stationed at Urbana, Ill.; three grandchildren and one brother, Marion Belknap of Phoenix, Ariz.

The body is at the Flanders-Arnold funeral home in Titusville, where friends may call. Arrangements for services will be made after word is received from the stepson in Illinois.

WILLIAM HOWARD MEAD, JR., of Clearfield, died Tuesday in the Clearfield Hospital of pneumonia, after an illness of two and a half weeks. Had he lived until March he would have been eleven years of age. His father, Howard Mead, Sr., is a former Youngsville resident, with many friends and relatives in that town. He is a graduate of Youngsville High School and now and for several years past has held the position of principal of the Clearfield High School.

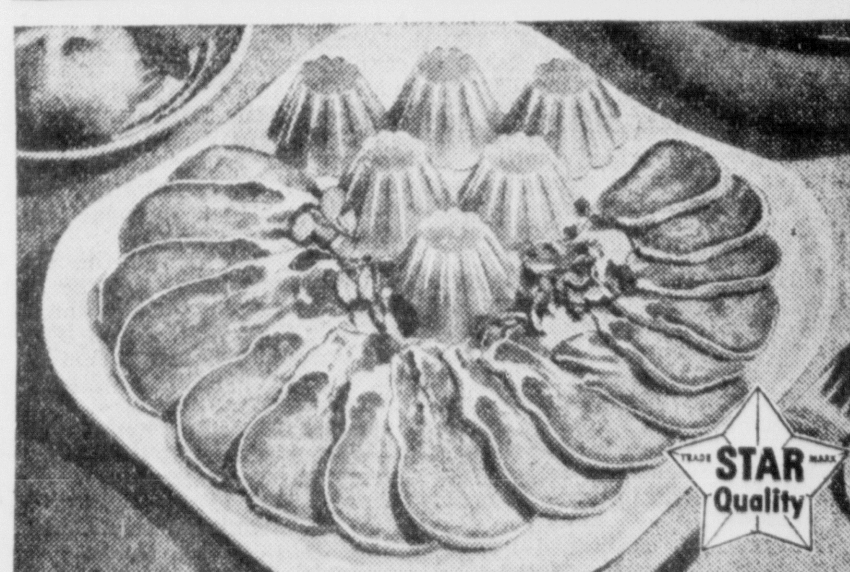

William Howard Mead leaves, besides his parents, a brother, Robert, and a sister, Marilyn. Funeral services will be held at his late home Friday afternoon, with burial also in Clearfield.

Armour Ideas Make the Most of Meat

A Gay Way to Fix Star Smoked Tongue!

For holiday entertaining plan a buffet supper around a colorful plate of Star Smoked Beef Tongue with Horseradish Sauce. It'll cost you little more than 1 point per serving! And the delicious beef tongue and sharp, tangy molds create a flavor combination that can't be beat! What's more, the rich red of the meat and the cool green of the molds will give your buffet a nice holiday touch!

To serve about 12, get a 3-1/2 pound Armour's Star Smoked Beef Tongue. We suggest Star tongue because it's

flavorful and delicious...a real favorite with epicures! Cover tongue with water and let simmer in covered container 3 to 4 hours, or until tender. After removing skin and roots from tongue, slice and serve on platter with horseradish molds made this way: Dissolve 1 package lime gelatin dessert in 1 cup hot water, add 1/4 cup prepared horseradish and chill in small molds. And here's a tip: The unsliceable meat makes a swell sandwich filling!

Chapter 15

THE Winstanley house occupying a fifty-foot frontage a few doors east of the Avenue, was one of the grand establishments of the city, being closed up one by one during these difficult times. A manservant in plum-colored livery ushered Lee up a noble stairway. He was a brawny, ill-favored fellow with a furtive, watchful expression. Lee was conducted into an immense salon.

Three men were waiting in the room. The Count was a small man dressed as if for a wedding in a braided tuxedo and striped trousers. He had a face like a mummy.

"Ah!" said the Count in a tired, high-pitched voice. "How good of Mr. Mappin to come so quickly."

There was not much of the natural man to be seen. He wore a beautifully made toupée and a double set of false teeth. His little shoulders were padded. His chest built out, his waist pinched in with a corset. Yet he was far from being the fool that all this nonsense suggested. The sharp little eyes in his parchment face missed nothing.

Lee and the Count discussed what a noble fellow the late Prince Lenkoran had been, and how foul the crime that had cut him down. Compliments were passed back and forth. Lee had heard so much about the Count's beautiful place on the Main Line. The Count expressed gratification that the famous Amos Lee Mappin had interested himself in the tragic death of his cousin.

SAID the Count: "It appears as if this unhappy business will time in New York. I have therefore taken my friend Mr. Winstanley's house for the time being. Winstanley, as Mr. Mappin undoubtedly knows, is president of the Beaver National Bank. The Winstanleys are at their summer place in Bar Harbor."

"It's a fine house," put in Lee. "When all this had been duly registered, the Count said to the lawyer and the secretary: 'Now, if you will be so good, gentlemen, I should like to have a little private conversation with Mr. Mappin.'"

The Count then dropped a part of his topknot manner and addressed Lee with a kind of royal

graciousness that was supposed to afford Lee intense gratification. The plum-colored servant brought the makings of highballs and a box of expensive cigars.

When he saw his opportunity, Lee said:

"Prince Lenkoran was a true aristocrat! That's why I admired him so much. His bold and fearless manner of addressing inferior beings delighted me. One longs for a return to a regime where the superior tell you how to occupy himself in private."

The Count grinned with pleasure. "You are safe with me, Mappin. He now dropped his grand manner altogether and spoke to the point. Mappin, what is the nature of your arrangement with the New York police?"

"I have no arrangement with them, Count. I simply volunteered to do everything I could to solve the murder of my friend."

"Then you will not be paid by the police for your services?"

"No, sir! It would require a special act of the Legislature to authorize them to pay me."

"Do you feel free to consider a private commission from me in connection with this case?"

"If you are successful in this case you will never have to work for your living again."

"What!" exclaimed Lee, affecting astonishment.

"I SPEAK advisedly, Mr. Mappin. This is a very large sum of money involved."

"What must I do to earn this fee?" asked Lee.

"Nothing crooked. I assure you. It need not conflict with your agreement with the police. God knows I'm

Fair Weather Is In Prospect At Pasadena

Pasadena, Calif., Dec. 30.—(P)—The prospect of fair weather for Saturday's Rose Bowl game between Washington and Southern California has buoyed the Trojans' hopes of keeping intact their record of never losing a football game here in six appearances.

Weather observers said there was a 70 percent prospect of fair skies for the New Year's contest which will decide the Pacific coast conference championship, if nothing else.

The Huskies and the Trojans had clear, cold weather and soggy footing for workouts yesterday. Those may be the playing conditions Saturday, for even if there is no more rain before game time the Rose Bowl turf will be a trifle slow.

Maj. Paul Schissler, major domo at March Field's army football camp, said he thought Southern California's chances would be greatly enhanced by good footing. His team lost to Washington, 27 to 7, and whipped the men of Troy, 35 to 0. The major, therefore, should be one of the best judges of the possible outcome.

PRODUCTION STEPPED UP
War production plans call for an increase in munitions of 35 per cent above 1943 and 120 per cent above 1942; increase in aircraft tonnage 185 per cent above 1943 and 325 per cent above 1942; maintenance of naval construction at about the present rate of 215 per cent higher than 1942 or 130 per cent more than the average for 1943.

Garden Fight Is Cancelled At Last Minute

New York, Dec. 20.—(P)—It took the navy to do it, but Mike Jacobs finally has been forced to cancel a fight show on the very day it was scheduled.

The card booked for Madison Square Garden last night and headlined by Mike Jacobs and George Kochan was called off by the promoter less than three hours before it was scheduled to begin when it was learned that Kochan, a member of the coast guard, had received transfer orders effective immediately and would be unable to appear.

The closest Jacobs ever came before to such a "last minute" cancellation in his 10 years of promoting headline fights here was a postponement on the eve of the Henry Armstrong-Celestino Garcia welterweight title bout in 1938, when Armstrong suffered a sacroiliac ailment.

Kochan, from Akron, Ohio, received his orders earlier in the day but believed he would be able to go through with the bout. Jacobs called off the show after receiving a wire from Washington naval authorities advising it would not be possible for Kochan to take part.

With the elimination of last night's program, the Garden ends its boxing year with a total of \$22,021 fans and \$1,136,228 in gates for 22 (CQ) fights.

Texas Aggies Considered To Be Underdogs

Miami, Fla., Dec. 30.—(P)—The favored Texas Aggies should be rated no better than even against Louisiana State University in the Orange Bowl, Coach Homer Norton believes, because they will go into the New Year's day classic as psychological underdogs.

"The hardest thing in football is to beat the same team twice," Norton insisted. "The fact that we defeated LSU once this season is a serious thing to overcome."

The Texas coach had heard about the LSU Tigers' earnest work to wipe out that early-season 28-13 defeat and he declared the advantage was all on their side.

Norton wasn't happy today as he prepared to put his team through the first practice session after the long train ride and one sleepless night sitting up in a coach. They give up their sleeping cars at New Orleans.

Norton expressed concern over his backfield ace, Marion Flanagan. The passing star twisted his knee in the final game with the University of Texas and hasn't responded properly.

SPORT SHORTS

San Francisco, Dec. 30.—(P)—Eastern western football All-Stars, their one heavy scrimmage behind them, began tapering off practice today for the Shrine Charity New Year's Day. The east coaches, none too optimistic with 2-1 odds favoring the west, ordered two-day schedules for the rest of the week.

Chicago, Dec. 30.—(P)—The Chicago Blackhawks hockey players are staying out late nights this week—but Manager Paul Thompson approves because they're not breaking training. The Hawks are staging midnight practice sessions in preparation for their New Year's night game with the Montreal Canadiens.

Atlanta, Dec. 30.—(P)—Fattening financially off the Rose Bowl game last New Year's Day, the University of Georgia Athletic Association ended the last fiscal year on June 30 with a surplus of \$23,072 compared to a deficit of \$125,952 a year earlier.

Knoxville, Tenn., Dec. 30.—(P)—Ray Graves, former University of Tennessee center and now a member of the Philadelphia-Pittsburgh professional football club, has been added to the University's coaching staff. Coach John Barnhill said Tennessee is planning to play football next year.

Abbreviated Practices Are Satisfactory

By MAX PATRICK

New Orleans, Dec. 30.—(P)—Coaches Henry Frnka of Tulsa and Bill Alexander of Georgia Tech agree that their training sites and abbreviated practice periods for the Sugar Bowl game here New Year's day are "entirely satisfactory."

"Last year he worked 10 days here for our game with Tennessee," Frnka said at his training camp at nearby Bay St. Louis, Miss., today, "but I believe the four days of hiking in the sea air and practicing will just about bring us to top strength."

Alexander said that the short practice in New Orleans was "adequate," but added that "we could use better weather."

"I really expect to see both teams score two or more touchdowns apiece," Alexander said. "It will just be which team can get the most of their passes caught."

Frnka thinks that punting will have an important bearing on the outcome of the game.

Alaska is probably the world's healthiest war zone, since it has no typhus, tetanus, malaria or bed bugs.

HAMILTON'S BOYHOOD

In his youth, Alexander Hamilton lived in Christiansted, St. Croix, Virgin Islands, and became manager of a store there at the age of 14.

Sports Quickly Shed Somber Raiment; Started in Gloom and Ended in Boom

By NED BROWN

NEA Staff Correspondent

New York, Dec. 30.—At the beginning of 1943, everybody believed it would be the poorest year in sports. Instead in many respects it turned out to be as good as any of its predecessors.

The baseball ranks were depleted, of course, and many colleges were forced to abandon football because the Army would not permit its trainees to compete. The standard of baseball play fell off, quite naturally, but the Navy's cooperation with the colleges and participation by the armed forces enabled football to field as many fine teams as are seen in a normal season. Indeed, the Notre Dame edition was rated with the all-time greats.

Thrill-seekers were not short-changed anywhere along the route. There were the phenomenal basketball White Kids of Illinois in the spring and Brooklyn St. John's tying Wyoming as the buzzer sounded at Madison Square Garden and losing in overtime in what came as close to being a national championship game as could be arranged.

Count Fleet frightened opposition away from the races and threatening records with Johnny Longden holding an armful of horse.

Pari-mutuel betting totals soaring to unprecedented heights.

Sammy Byrd, Babe Ruth's understudy in baseball, winning the Victory Open, his first big golfing prize, with a record total over Chicago's Tam O'Shanter.

Gunder Hagg, the Swift Swede, leaving America's finest routers gasping. Aime Anderson, his countryman, clipping the mile mark to 4:02.6, a hop, skip and jump from the fabled 4 flat.

Lt. Joe Hunt writhing on the Forest Hill center court in the throes of a muscle-knotting cramp after winning the national singles tennis championship.

A heavy-hearted Morton Cooper breaking the Yankee and American League jinx in the second game of the World Series, the Cooper brothers winning it for Pop after being advised that their father was dead.

Johnny Lindell's flying block on Whitey Kurovski in the eighth inning of the third game. The turning point of the series. Recruit Bill Johnson's triple with a traffic jam on the bases. The Cardinals falling apart at the seams.

Spud Chandler climaxing his smashing year with two victories over the Red Birds.

The clubs training in the north

to the first time since Cap Anson read the riot act to the White Stockings under the Chicago stands. The Brooklyn sit-down strike.

Attendance dropped somewhat. Notre Dame shooting for it all 10th straight and first unbeaten and untied season in 13 years, rushing the ball 80 yards in 20 plays to take the lead with time running out, and losing the finale to Great Lakes on two desperation passes with only 28 seconds to go.

The Angelo Bertelli-gaited Irish of the Georgia Tech, Michigan and Navy games. That was the outfit which competent authorities said could score 60 points against any college team.

Sid Luckmans seven touchdown passes as the professional Chicago Bears massacred the New York Giants, 56-7.

Sammy Baugh and the Washington Redskins twice kidding the Giants and then smacking them, 28-0, to go into the playoff just as everybody expected them to do in the first place.

Beau Jack's maintained cyclonic pace and comeback against Bob Montgomery.

Ned Day winning the national match-game bowling championship for the fifth time in six years.

Why even scandal reared its ugly head in 1943? Young Bill Cox opened and closed in one, for—of all things—betting on the Phillies.

Unfounded rumors were circulated to the effect that there were chicanery and phagning going on in professional football. Due to the exigencies of war, many athletic programs were curtailed and suffered accordingly. But others benefitted by the same token, and instead of being a gloom year, 1943 turned out to be a boom year.

18th Class In Small Arms To Be Registered

The Warren Small Arms Firing School will register its 18th class on Monday and Tuesday evenings, January 3rd and 4th.

Any male person interested in learning to handle and fire a rifle in the manner prescribed by the armed forces may get complete information by appearing in the basement of the Warren Armory at 7 p. m. on Monday or Tuesday evening. The first class period will be at 7 p. m. Tuesday. Each class period will be for two hours. Twelve hours instruction constitutes the course. Firing for record or qualification is held at the end of the final period and certificates of qualification are issued by the National Rifle Association.

Of interest to those who have already taken the instruction and who wish to get in some practice firing is the announcement that the school has set aside Monday evening of each week from 7 to 9 o'clock as "Practice Night." All shooting equipment will be furnished by the school and ammunition may be obtained at the range.

The Warren Small Arms Firing School is pleased with the interest shown in the course of instruction it has offered during the past year. The school, conducted jointly by the Complanter Gun Club and The Warren Rifle & Revolver Club, has given instruction to over 200 men, of whom only about two per cent have failed to qualify.

A number of letters have been received from men who took the instruction before they were enlisted and are now with the armed forces, thanking their instructors and telling of the advantage they have over their comrades on the rifle range.

Ickes Acts to Halt Shortage of Hard Coal

(From Page One)

At another point of a news conference, Ickes assailed coal distributors in the east who, he said, are reluctant to handle soft coal because they think "Santa will bring them anthracite."

These dealers, he said, apparently don't want to build up soft coal in their market areas and are "willing to do anything to win the war except the one thing they are capable of doing."

The cabinet member, who is Solid Fuels Administrator, declared there is "too damned much" of this in the United States.

"I'm not God," he said. "I can't make anthracite (hard coal) that's not there, and I can't produce miners."

In addition to the embargo cutting off hard coal from the west, he announced that \$900 tons of New York City's share of hard coal is being "frozen" for sale only to consumers whose furnaces cannot burn soft coal.

(President Roosevelt recently told his department heads, in a strongly worded order, not to carry on any more inter-departmental controversies publicly.)

Soviet Rush Heading For 1939 Frontier

(From Page One)

of a bitterly resisting but exhausted enemy.

With the northern arm of Vatutin's forces rapidly expanding a 42-mile-wide breach in the Leningrad-Odessa railway from Korosten south to Chernyakhov, other units were closing in on Zhitomir from the north and east, and latest front dispatches placed vanguards beyond the town of Livkov, five miles northeast of that equally important junction on the western Ukrainian rail network.

Nowhere were there any signs that Marshal Fritz von Manstein's thoroughly disorganized army would be able to stem the tumultuous Soviet onrush short of the Bug river.

On the southern front, inside the Dnieper river bend, Gen. Rodion Malinovsky's Third Ukrainian army, in a new supporting drive, second in importance only to Vatutin's offensive, struck westward across the river from Zaporozhe in a nine-mile advance that completely restored the great Dnieper dam to Russian hands.

Zaporozhe itself, 40 miles south of Dnepropetrovsk, was captured on Oct. 14. Today's thrust liberated more than 20 towns, including Khorostia island in the Dnieper, opposite Zaporozhe, dispatches reported. The drive was apparently heading for Nikolopol, chief source of Germany's sorely needed manganese, 35 miles southwest.

WASHINGTON, Dec. 30.—(P)—from his offices again today, President Roosevelt stayed away from a head cold. He still had no fever, White House officials said, but no appointments were made for him. Aides said he was able to do "a good deal of work" yesterday and probably would today.

The plateau of Cherrapunji, in the Assam hills of Asia, has an annual rainfall of 424 inches.

Nebraska has more river mileage than any other state.

Old Employee Retiring From Penn Gas Co.

After having spent more than half a century of continuous service in the natural gas industry, Dennis O'Leary of Roystone Station is retiring as Chief Engineer and Director of both Pennsylvania Gas Company and Pennsylvania Oil Company on December 31st.

employed by that company for ten years working at first on pipe lines and later as engineer at Roystone Station. In 1893 while still employed by The Northwestern Company, he was sent to Roystone Station to install the first engines and boilers erected at Roystone. In 1899 he went to Halsey Station of the United Natural Gas Company to erect and construct some of the first large engines put into service to pump gas which were built by National Transit Company. He remained at Halsey Station as engineer until 1902. In the early part of that year he was transferred to Oil City with the National Transit Company. He began his service with Pennsylvania Gas Company at Roystone Station on April 17, 1902. He has had charge of the various phases of operation in connection

with gas compression and transmission. He has kept pace with the changes in industry and has built up Roystone Station so that today it has a capacity of 7,500 H. P. In 1917 he had charge of building the Company's Sackett Station located in Elk county and in 1928 he went to Erie to take charge of reconstruction work at the company's Erie Works Station. On January 1, 1927 Mr. O'Leary became Chief Engineer and on January 25, 1939 he was elected Director of both Pennsylvania Gas Company and Pennsylvania Oil Company. He now believes it will be wise for him to curtail his activities and responsibilities and therefore, has decided to retire on December 31, 1943 after fifty-four years of service. Mr. O'Leary plans to make his home with his daughter, son-in-law and two granddaughters, Mr. and Mrs. Paul Harrington, Patricia Ann and Jean Elizabeth, 1195 Conewango Avenue, Warren.

Plan Community Day of Prayer

Pursuant to the President's proclamation the churches of Warren have planned four prayer services to be held in the borough, two down town and two on the east side. People living west of Conewango avenue are asked to attend the down town service at First Methodist church at 11 o'clock and 4 o'clock on New Year's Day, and those living east of Conewango avenue attend Salem Evangelical church, Pennsylvania avenue and Marion street, at the same hours. These services are planned with the idea of Prayer in mind, rather than preaching. The pastor of each church will preside and will be assisted by a visiting minister. The theme for these prayer services is, "Into the Unknown Future, Hand in Hand With God." Similar meetings will be held next week, Tuesday, Wednesday and Thursday, evenings, with places and leaders to be announced next week.
